Chapter 1 - Why?

2

1 - Why?

Why?

Why do people hate?

Why is it that people are against others beliefs?

Like freedom of belief doesn't matter

Like everyones wrong about everything

Like no one is right

Why is it that people hate it when others don't agree with them?

Like they are more important than others

Like no one else is better

Like everyone is dirt

Why do people hate?
