1 - Prolog: The Dream

May 11

I'm standing on a bridge, or a dock... something wooden as it slightly rains.

Then all of sudden I see the boy he's standing half in a rudder and half on land.

He's holding out his hand as if to say "come with me". Then I say softly and slowly "Jack Sparrow".

I think that's his name.

Suddenly I'm so high up standing on a plank and then I fall! I fall into his arms. He saved my life and then he vanished. A ship emerges from the fog.

A ship with black sails.

Then I wake up.

I've had this dream since my first rescue. I think I've seen that boy before in one of my first rescues. They were going to hang him.

I thought how could they hang a boy not much older than myself?

I couldn't let him die for nothing. So I went to the execution and right as they pulled the lever that would have ended his life I threw my sword and it cut the rope before he could be hanged.

I ran him out of there before the guards could get us.

I guess he passed out because when we got to the beach he was unconscious.

I saw that he was wearing 2 gold medallions. I took one as to remember him by.

I went for help pretending I had no idea what happened but by the time I got back he was gone.

Since then I've rescued every pirate sentenced to be hanged in Port Royal.

But I feel as if the dream is coming true...

2 - Jack Sparrow?

3 Years Later

March 25

I'm now 14 and on this day, my birthday there's a big announcement that another pirate has been sentenced to hang!

My Father, being the governor, must attend the execution.

That dream has come back again. It was gone for almost a year but has come back more this month.

I suppose this dream came back for a reason but why? Is it the medallion? Is it that boy?

Father's coming

GS: Pearl are you alright? Are you decent?

P: Yes. Yes?

GS: Happy birthday my dear. I'm sorry I have to leave so soon but I will be back in an hour. But first I have something for you.

Hands Pearl a big box.

P: Where are you off to this time Father?

GS: Another hanging. We haven't had a pirate here in such a while. I hope that bandit has gone away so as to not interfere with these things any more.

P: Well some would call her heroic.

GS: Pearl?

P: My apologies father

GS: After the execution we shall go to the Norringtons Ball but we must be going now Pearl

P: WE?

GS: Yes you must come too

P: Fine but I'm going to wait in the carriage I find no interest in hangings of innocents... I mean Pirates

Later at the Execution center...

2 - Jack Sparrow?part 2

GS; Pearl are you sure you want to wait here in the carriage?

P: yes father. Just please don't take too long

GS; yes dear .We wouldn't want to be late to your own party now would we? I'll be Back soon Pearl.

As my father left I knew I had to do something to save the "fugitive" as they would call them. I had planned this a head of time and wore my rescue suit under my dress, and as soon as the coast was clear I quickly threw off my dress and put on my mask and ran out of the carriage. I went up against the stone wall and checked for guards. Surprisingly no one was guarding the entrance so I stood behind one of the entrance walls and peeked over...

Executioner: Pirate and Prisoner Jack Sparrow has been sentenced to hang. The charges against him include High treason to port Royal Hijacking and Piracy...

P: JACK SPARROW? The boy from my dream? the one I first rescued 3 years ago? Is it possible? I looked over the wall again and noticed he was wearing the same medallion I was. I scalded along the outside wall around the crowd behind the hangman's noose. The drumroll sounded and the executioner readied the lever that would end Jack's life.

drumroll

I jumped up as he pulled the lever and threw my dagger that cut the rope precisely. Jack fell to the ground and cut himself loose of the rope as the guards headed for me. I pulled out my sword and started to fight them off. Jack pulled out his sword too and helped me fight them off.

We ran in different directions around the execution center and finally lost the guards.

We stopped to catch our breath and I noticed Jack had been branded with a P.

I took off my mask to wipe the sweat off my forehead. Jack looked at me surprised to see who I really was...

JS: Your Pearl Swann!? The governor's daughter!?

P: Yes. And your brand dose that hurt I said holding his hand up to look at it

JS: No not really-OUCH! ok maybe a little

P: I can help wait right here I'll be back. Stay hidden so the guards won't find you

JS: Aye mate. Thank you for saving my life... again^^
Jack leaned over and gave me a quick kiss on the cheek.
I smiled and ran off blushing. =^^=

As soon as I came back I saw a ship sailing away and I couldn't find Jack
I figured that his crew came and took him back so I went to the carriage before father came back.
and soon we were on our way to The Norringtons Ball.

3 - At The Norringtons Ball

AT THE NORRINGTONS BALL

I feel my father suspects something

He keeps glanceing at me strangly and he hasn't said a word the whole ride here.

OH NO! MY EARINGS. Father must have noticed.I wore them when I rescued Jack at the exicution

P:Is somthing troubleing you father?

GS: It's just that it's the 2nd time this pirate has gotten away and he was rescued by the same bandit

P:Well you shouldn't let it bother you *too* much father

I wonder why he dosen't want to respond

we are here now and the sun is just setting

Oh no James Norrington

our fathers are always trying to make us get to know eachother so we can be more then just friends,wich we aren't even now.*sigh*

JN:Good evening miss Swann.

I put my mask up to my face,rolled my eyes and said nothing

GS: Pearl be nice to the yong gentelman

P:Hardly a gentelman at all

GS:PEARL!

P: sorry father.

I sat down trying to contimplate the possible punnishment sure to face me when/if I'm found out.Also thinking about Jack Sparrow.I hope one day to leave this petty life style for the adventures and excitement that surly face Jack every day.

just as I started to daydream James came over...

JN:Pearl?

P:Yes Jack

JN:Beg your Pardon

P: I mean James. Yes James

JN: would you care to dance

I looked over at my father with a face that said "do I have to?"
he nodded

P:Yes Norrington

We walked towards the dancefloor

JN:Did you go to the execution today?

P: No I see no reason to watch such things

JN:Well that bandit freed the accused criminal again

P: Accused?So theres no proof he actually committed a crime?

JN:He's a pirate That's a crime

P:Oh really?So If some one not of our kind were to come to port royal we'd hang them because they *believe* that they *might* be a pirate?

JN:No...well yes actually

P:Oh so if I were to be a pirate you'd still hang me,even if I am royalty?

JN; No surtanly not.

P:So If I were not royalty ,not of our kind ,and not wealthy you would assume I was a pirate

JN: Well you surtanly look it.

We stoped danceing a wile ago and now our convesation is getting a little more intence then when we first started talking

P:Is that so and are you not the same boy that wished he could one day be one of those you wish now to hang?!

JN: Not any more Now I surve jutice.

P:Justice?What is justice?Ridding this port of everyone who is diffrent we belive to be not of our kind!?!

JN:Yes

SMACK

Oh My Gosh I just struck James norrington across the face!
I stormed out of there and headed for the dock as it started to rain slightly.

when I finnaly got there I threw off my shoes and dress and jewls.
I messed up my hair so It didn't look perfect any more.I threw them all in the sand and began to cry.I began thinking about all the good things I've done and all the pirates I saved.And then about my home and how I hate being royal and proper.I want to run away ,but I can't leave my father just like that.But if I stayed I'm sure to be inprisoned or hanged for the "good" I've done.

I stood there in my bodess and saw something in the fog.
I looked close trying to see what it was.
Suddenly I felt as if I were...FALLING!!!
I fell off of the rather high deck!!!

But I felt some one catch me be for I hit the ground.
My eyes were still closed for I was afraid to look and see who saved me
whoever it was put me down andl gess I fainted,because when I opened my eyes
no one was there and I was just laying on the sand.
I sat up and saw a small rudder coming and some one was standing in it.
It was Jack!

JS: Well If it isn't Pearl Swann. what are you doing here?Shuldn't you be at a party or something?

P: Not after what I did there.

JS: and what might that be ,love?

P: stuck James Norrington because...well it's hard to explane.

JS:He had it comming mate. He turned me in right after he begged me how to swordfight.I said no and then Befor I know it I was about to be hanged.

P:If you don't mind me asking why are *you* here?Planning on *almost* getting hanged again?

JS: actually I came back to thank you and apparently save you.

P: So it was you. *You saved me?*

JS:You sound suprised.You save *my* life twice befor.But I came here looking for some one to...nah you wouldn't be intrested

P:What?I wouldn't be intrested in what?

JS: well I need a new crew member we are 1 short and I thought with you sills you would be willing to join us.

P:I've always wanted too but my father...

JS: Is going to turn you in

P:WHAT?Why?

JS: That's what I herd him talking about.He said he thought he knew who the bandit was.I just don't want you to get hurt because you save me and my crew.

P: well I surtantly can't go back now!*cries*

JS:so what do you say mate? are you in?

P:I'm in

JS: Grate! lets go aboard and meet the crew.

A few minutes later I found my self looking up from the rudder to this big Pirate Ship.
I clied aboard with Jack.

JS:Well here's the crew.Mary Turner Darek Sparrow Zanna Jones Catty Scarlet
Teal and Tia Dalma.And What shall you new name be?

I thought for a moment and then said...

P: Black Pearl Smith

JS: Welcome aboard Black Pearl

My New name is Black Pearl and my new home is the Sea Child
These pirates are now my family
and my true identity must never again be riviled
Jack is the gratest host he gave me my own room wich I hear is called
"the royal treatment"
Though I don't think most of the crew likes me much

Earlyer That Eavning...

JS: Welcome to the crew Black Pearl. Every one els has to work but seeing as the day you had has been so...um what's the word? trieing you can head off to your bunk. One of the crew members will show you as to where it is in a moment.

I headed down the steps as instucted and as soon as no one was in site I went back up and listened to what they were saying...

MT: Why did you have to bring her along Jack ? you know How Royals are

JS: Yes I do. Do you have a problem with royals miss?

TD: I don't like her either

CS: You just don't like because Jack dose

TD/JS: THAT'S NOT TRUE!

DS: Is to

T: Guys stop it! Who care if she's royalty she one of us now so get use to it!

JS: She wanted to get away from her royal life and be one of us

MT: And just how do you know that Jack?!

JS: I just know thats all

Darek whispered something in Marys ear and then Mary apoligized to Jack

Mt: I forgot about that. Jack I'm sorry.

ZJ: well she's still waiting down there

JS:Oh right Some one take these down to her and show her the royal treatment

Every one looked at Mary

MT: Alright! I'll do it!

I ran down the small hall way and stood against the wall as if I had been there the whole time

MT: fallow me

she said in a angry tone

She showed me my room and threw some clothes and a pice of paper at me

P: whats this

MT:If your going to be a pirate your going to dress like a pirate

As she left I looked at the clothes and they were just a wite shirt and brown pants and boots.

Then I looked at the pice of paper

"You must fallow the pirates code and the orders of the captain"

the pirates code was

"Any one who falls behind is left behind"

5 - The Crew part 2

The Next Morning...

I woke up and I thought what can I do to my ordinary pirate clothes so I would look somewhat decent. Then I got a grate idea.

I walked up the stairs a few minutes later in my rescue clothes *and* my new pirate clothes

JS: That's a nice look for you Black Pearl

P: thanks Captain
I siad shyly

JS:But it needs something

He took off his headband and put it on me
now I look more like him^^

JS:There mate. It looks nicer on you then it dose me.

P:Thanks again

Mary and Tia Dalma looked at me as if they wanted to kill me
I think if I go over there and talk to Mary I might get to know why she hates me so much.
Tia Dalma obviously fancys Jack and that's why she hate me.

I walked over to Mary...

P: Mary Turner is it?

M:Yes what do you want Royal?!

P: Is there a problem between us?

M; YES! Your Royalty.
She turned away and leanded over the railing

M:Royal hung my family for tring to help Jack.They almost hung me too. If that bandit hadn't rescued me...
she began to cry

P: Bandit?What bandit?!

I realized that I saved her too!

P:Did she look some thing like this

JS:Don't you touch Black Pearl Tia Dalma!!!She saved my life Twice and I will not stand to see her harmed ,especialy by a fellow crew member!!!
