Well, this is about a certain person trying to come back to me after a fight. (Not a fist fight! An argument.)

Chapter 1 - First Love

1 - First Love

Can you tell me exactly what I did wrong?

You can't, can you?

Cause you were the one who did something wrong.

You insulted me, blamed me, went behind my back.

Do I have to go on?

So don't keep talking this nonsense to me,

It's really getting quite old.

Every time you apologize, do you mean it?

Or is it more lies you thought of?

I don't know if I can believe you,

But no matter how hard I try,

My love for you will never end.

It's because you were my first love.

I've built my life around you.

I can't just forget about you.

To be honest I don't want to.

I guess all we really need is some time alone.

Maybe then we can talk.
