Chapter 1 - Alone

2

1 - Alone

Sometimes I just really need to be alone.

Cause I hate it when people are so...

When they boss me around.

When they tell me what to do.

I'm not a baby!

I can handle my own life!

Sometimes they need to back up off me.

They need to give me some space,

And they don't need to be so concerned about me.

I'm not the biggest deal here.

But I think the only reason I act like this,

Is because I actually am alone.

The main person in my life right now is hurt.

He is so very close to me.

And right now it feels like he's unreachable,

But I make believe that he is here.

I know that it isn't quite the same,

But it makes me feel not so alone.
