Chapter 1 - Nightly Love

2

1 - Nightly Love

The moon reflects on your eyes
and ignores the darken skies
the wind passes threw your hair
leaving me with no despair
and we lie side by side
laugh, talk and slowly cry
you turned to me and smiled
a smile that drives a girl wild
as you kissed me the sky got brighter
and you held me a little tighter
I hope from now till forever
that we'll always be together
