Chapter 2 - Questions!	3
Chapter 3 - My Favourite Things!	8

1 - Classroom Storm Hawks

This is a dream I had once.

Me and Emma were in the classroom, and we found a portal leading into a world of big floating islands that somehow seemed to be the Storm Hawks world. We got on our motorbike-flying jet things and flew around for a bit, then I met the Storm Hawks. Then we got out of the portal, which was somehow located underneath the school desk. Our teacher Miss Batel and TA Mrs Van Brueklen came in and we explained and then we went there again and Miss Batel, who is very, very fat, got a motorbike-flying jet thing, too. Then we all flew around for a bit and Mrs Van Brueklen got eaten by a sky shark. XD

Then Georgia jumped on me and I woke up.
