Chapter 1 - Lost

1 - Lost

Lost

Where have you gone?

I know you're there

But I can't see you

I know you're there

But I can't sense you

Why have you become lost to me?

Is it because of me?

Is it because of you?

Where did we go wrong?

Was it something I said?

Was it something you did?

Why

Why did we turn our lives around?

We only made one mistake

Why

One little mistake may have you soaring

But as for me

I've been isolated from everyone

One thing could change the world

You were my world

But now my world is dying

Just like me
