Chapter 1 - Why has my life...

2

1 - Why has my life...

Why has my life turned into a living hell

All the boys

They say mean things and laugh at me

But I don't care anymore

It's just the way things are

I can't change them

But I can change myself

All I can do is hope things get better

Why has my life turned around

What have I done

Once I've started

I must finish what I've started

I can't forget everything that's happened

And I can't forget about yesterday
