Just a song I wrote. When I sing it, it sort of has an Evanescence/FlyLeaf type vibe to it, but anyways I like it!

Chapter 1 - "All in Vain"

1 - "All in Vain"

Putrid smells and food I've tasted
Weren't as bad as time I've wasted
Now I'm searching for an answer
Your loves like a deadly cancer

And so it's here I stay
Trying hard to find my way
Was this all in vain
Venom coursing through my veins

Empty room's ounce filled with laughter
I just wish for one more chapter
All that's left are walls of plaster
Silent words that spell disaster

And so it's here I stay
Trying hard to find my way
Was this all in vain
Venom coursing through my veins

You said that you love my smile
I'm still so young my hearts fragile
You told me I was your only
But now you've left me scarred and lonely

And so it's here I stay
Trying hard to find my way
Was this all in vain
Venom coursing through my veins
