**Chapter 1 - If its not too late**

**2**

## 1 - If its not too late

sitting quiet in a chair  
Next to him trying not to stare  
Getting nevrvous by the hour  
I Cant help but stop and devour his perfectness

If i had the courage to just say hi  
Its not like im gonna fall over and die XD  
Sometimes taking that first step is all you need  
Then the realtionships in a lead

When he sees me glance into his eyes  
I wonder what he thinks  
The glance he gives me back is so cute  
hes such a sweetie pie

I love him forever like a stuffed animal on my shelf  
I love him to the death i don't care about his wealth  
This is how my relationship will last  
boring and lonely if i dont ask him fast  
Maybe he'll step up to the plate

I just hope its not too late....

Yepp dedicated to someone ^\_^

im taking KissArmy76s advice i think i will talk to him 2morrow \*sighs\*
