Right, Hiya welcome 2 moi life with my pals! OK. Lets go...Im at the beach with my friend Harri and we are sunbathing when Gaara and Sasuke come along licking icecreams, [well, Gaara has cookie flavour and Sasuke has tomato] I sit up and take off my sunhat to get a better look at Gaara. Harri hasnt noticed that Sasuke's like...right there looking at her quizzicly [i dunno why].

Sasuke to Gaara: So, where you wanna lodge?

Gaara to Sasuke: Dunno, you can choose this time, hey how about next to those two chicks? yeah?

Sasuke to us: Er, Girls, do ya mind if we sit next to ya?

Moi and Harri: Sure!!!

Gaara looking at moi: So whats your name?

Moi: Polly and this is Harri, U? [i know what his bloody name is its just nice to be polite!!]

Gaara: I'm Subaka no Gaara and this is-

Sasuke: Sasuke Uchiha

I look at Harri and she grins back with one of those massive grins like from ear to ear X3

Gaara: So, um polly? what are you doin' tonight? I was wondering if you'd like to come to tea at me place?

2 - The bit after the beginning

Right where were we? Aha Gaara-Kun has just asked me out to his house tonight-

Moi: um... ok sure what time?

Harri: [sighs] hmm...

Sasuke: y r ya askin her out to ur house when its a complete mess Gaara??

Gaara: It is not a complete mess sasuke, ur's is!

Sasuke: Is not

Gaara: Oh yes it is!

Sasuke: grrr...

Sasuke leaps at Gaara sending him flying [waaaa!] into some old lady's pushchair/pram thingy.

Gaara: [says his wierd sandy spell thingy]

Sand curls up from Gaara's fingertips encloseing around Sasuke shutting him into the drakness!!

Harri: NO!! Gaara stop!!! Please ur hurting him! No! Oh. Gaara!!!! You put him down right now!! grr...

Gaara: Its his own fault, he cant win.

Sasuke: If you can here me Gaara, ull pay 4 this 1day! I will find a way, now let ME GOOOOO!!!!!!!!!!

Moi: Gaara, let him go!

Gaara: Fine ok!

He stops his sandyness and releases Sasuke from his grip, and sits down next to me [YAAAAAY!!!].

Sasuke sits up and crawls next to Harri making sure not to fall on her.

Harri: Sasuke-Kun!...erk i mean Sasuke, are you OK? Omg, ur not hurt are you, here let me heal you!

Moi: [looks at Gaara-Kun and sighs]

Gaara: What? What did i do? its only frackin self defence, honestly girls can be so...um...er wierd!

Its 4.30 now and Gaara says he has to go home to get READY [!!!!!!] for tonight.

The door opens and there he is-So georgous just standing there looking down at moi!
