These are little poems, most likely an offshoot from ShinobiWolf's Broken Song. If anyone reads this who knows ShinobiWolf, please tell him/her to read this. I'd like the criticism so I can write better.

1 - Broken Seal: Uzumaki Naruto

Bleeding out
Through the seal
The demon's chakra
No time to let it heal
I've gotta get out
Of Konoha fast
Or all the people
Will come to remember what happened in the past
I feel the urge
The need to kill
I'm so bloodthirsty
I think I will
Kill everybody, out of desperation
Drink the blood as if it's juice
Never regret anything I did
I'll do it soon, no time to muse
Please run, all of you
Leave me behind
I won't remember what I did
'Cause Kyuubi's playin' with my mind.

2 - Lovesick Kunoichi - Haruno Sakura

Lovesick Kunoichi - Haruno Sakura

Sasuke's gone off now
He'll never come back
I just let him go
Just like that
Now tears are streaming down my face
Now I'm feeling the delayed reaction
And I've just realized, just now
That we've never had any interaction
I miss you so, my Uchiha
To the point where I could kill
I hope you'll come back alive
But I'm starting to feel that I will
Kill myself for your return
My heart is pulsating and beating
I need you back, my Sasuke
I can see an image of you, but it's fleeting
I'm nothing more than a useless kunoichi
All I can do now is watch and wait
I need you to return, Sasuke
Or I'm just a target, easy bait.

3 - Without Family or Friends - Inuzuka Kiba

Without Family Or Friends - Inuzuka Kiba

Lost in the forest, the forest of Death
With no way to get back
I've got no way out and no way in
I've got absolutely no strength to attack
I might as well just lie down and die
I don't think anyone would care
My body moves without my control
My lifeless eyes will just stare and stare
I'm walking through a dark, dark tunnel
At the end there's a bright, bright light
Can I keep walking until I reach it?
Will I make it through this endless night?
Hopeless thoughts
Hopeful dreams
That still could never happen
Or so it seems
Alone in the forest, the Forest of Death
With family or friends
Why oh why did it have to be me?
During the Chuunin exam, my ill-fated life finally ends...

4 - Whispers of Love - When Sasuke turns Evil

Whispers of Love - When Sasuke Turns Evil

I can feel her soft touch behind me
Yet somehow I don't hear her at all
There's something whispering in my ear
And I can't hear its ruthless call
I'm in a place, a place where love reigns
And I'm an outcast in this place
I am controlled by a simple curse mark
I can't see her sad, sad face
I'm having this feeling
And it's not the curse
I wonder, what is it?
The feeling's fading, the hurt's getting worse
If I could hear her, I certainly would
I can't bear it when she starts to cry
But I can't hear or feel the love
No matter how hard I try
Wait! The curse mark is going away
I can feel her touch of a dove
I can hear and feel affection again
The powerful curse was beaten by whispers of love.

5 - Snake Beats Frog (When Sasuke and Naruto are being

Snake Beats Frog

(Sasuke beats Naruto/When they are apprentices of Orochi and Pervert-Sennin)

In the present, we are apprentices
We're not teammates any more
But seeing Naruto on the ground
Disturbs my heart to the core
I'm an avenger to heart and mind
And I think I know that well
But Naruto is unmoving, still
A fallen ninja, who never fell
Before we grew up and attained Chuunin
And my insides fill with dread
Orochimaru always said to me
Not to let killing get to your heart or head
But it has gotten to me
And I'm feeling so much pain
I've done something wrong
And no one else will take the blame
I've killed my teammate
Nothing more to be said
Naruto was my teammate and still is
And I've killed my teammate...the thought fills me with dread
