'I see you trying to trian huh?'

The guy slapped it on her outfit

Ikki:So her name's Simca huh? cool!

He skated his way to her

Me:Ikki where are you going?

Ikki:Can I stick one on too?

Simca:Yeah sure if you can catch me!

Ikki:NO FAIR!

Ikki followed her but was barely skating because he wasn't use to the ATS either... he almost slapped the emblam on her

Simca:Almost! Don't give up....

Ikki slapped it on her outfit...

Ikki:OH YEAH!

Simca:NO way....

Me:Huh?

Ikki:Did I do something wrong?

Simca:Not bad rookie you've got alot of guts taking on the skull saders without any teammates to back you

Ikki:Yeah

he blushed at her comment

Ikki:Wait you mean I'm going have to start fighting?

Simca:Yeah!

Magagi:I guess one fight wasn't enough huh? fine with me bring it on!

Simca:Just tell him you didn't know the rules ok?

'I told you this isn't a game so that screwing around!'

Simca:This isn't my fault why this happen!

Ikki: Yeah Let's do it!

Me: Ikki's not ready to race those guys...oh no....and he bet our emblam

Mikan:HE BET OUR EMBLEM?!

Me:Yeah he did...

Mikan:Let's go now!

Me,Ume,Ringo,and Mikan all skated our way to the big Meeting...

While Ikki was racing the Skull Saders he saw Me,Ume,Ringo,and Mikan pop out of no where...

Ringo:I'm impress Ikki I see your doing pretty good for your first time!

Mikan:You've got some nerve to bet our emblem on about of punks..

Ikki:And I see your doing good too Emily..

He smiled at me

Me:Oh yeah thanks...

I smiled back at him

Mikan:Well take care of these guys,you gotta win this thing!

Ume:Watch and learn Rookie!

Ringo:How can you use ATS for a weapon you have no right to run!

Ringo,Mikan,and Ume taught those guys lesson

Ikki was pushing his weight on the ATS but the Skull Saders were in the lead but Ikki was very close

Ikki was in the air he thought he was flying and he was right he was flying!

Magagi turned around and saw him

Magaki:That punk is flying!

Magaki was paying to much Attention on Ikki so Ikki was in the lead

Ikki:Hmmpf not feeling the luck now huh?

and yep Ikki won the race!

Magaki:You just got LUCKY!

Ikki:NO I think I won fair and square...

Magagi:LET'S GET OUT OF HERE!

Me:Simca it doesn't matter if I like him or not you don't need to know..

Simca:Oh i see

she said in complete annoyance she knew what actually what was going on

Simca:Well let's just cut to the chase!

Ikki:Well if you say so

She pushed his chin with her finger kissing him on the cheek..

after that kiss Ikki had red marks on his face from blushing...

Simca:Your pretty good...

She started flying away with her ATS

Me:Hmmp!

I crossed my arms glaring at her while flying away

Ikki:What's wrong?

Ikki was totally uninformed about what was going on

Me:Oh nothing's wrong IKKI!

I stared with a fiercely or angrily piercing look

Ikki:Oh I get it now your jealous of simca because she kissed me on the cheek

he pointed at his cheek

Me:Me jealous?! No I'M NOT! what is there to be jealous about!

Me and Ikki got home

Ringo:How was your day Emily?

She smiled brightly

Me:Horrible!

I covered my mouth

Me:I mean it was great!

Mikan:I can tell when something's wrong with her

Me:Nothing is wrong Mikan don't worry! I'm just tired that's all because of ATS!

Ikki:Yeah right

He rolled his eyes

Me:So umm...is Rika home?

Mikan:No..she's always gone?

Ume:HELLO BIG SISTER!

She hugged me tightly not letting me go

Me:Oh umm hi!

I hugged her back

Ume:I made a doll for you!

She held it up with her hand

Me:AWWWWW HOW SWEET!

I hugged the doll

Ringo:Ume can you stop making those creepy dolls!

Ume:I love them and you can't stop me!

Me:THANKS UME!

Ume:Anything for you Emily!

Me:Don't you want one Ikki?

Ikki:No way I don't want one of those creepy dolls...

he was annoyed,because he didn't like those creepy dolls

Mikan:Well I think I'm going to get some shut eye!

Ume:Yeah me too!

she open the mouth wide with a deep inhalation

The NEXT DAY!

I woke up yawning

Me:Another day of school!

Ringo:Time for breakfast everyone!!

she cry out loudly,

everybody came out

Me:What are we having?

Ringo:Well the usual!

After eatting breakfast me,Ikki,and Ringo walked to school

'Hey Ikki,Emily,Ringo!'

A young male shouted he had blonde hair and blue eyes!

Me:OH hey KAZU!

'HEYYYY GUYSS!

He had big lips had a big head

Me:HEY ONIGIRI!

And the other girl with black hair,short and has brown eyes she has the name 'EMILY!' the name that i have

Emily:Hello SWEETIE!!!

She obsessed with Kazu

Kazu:Did you just call me sweetie?

EmilY:yeah what's wrong?you don't like me?

Kazu:Yeah you're a good friend

he smiled sweetly

Emily:Just a friend?

she was hurt to hear that

Kazu:Something wrong?

Emily:Oh nothing!

she smiled lightly

After school i thought i might as well pratice with my ATS

Me:Ok let's see

I put my ATS on and stood up pulling my self and started to skate fast

Me:OH MY GOSH!

I fall down

Me:AAAGH!

I yelped when my bottom from the faltered move I had made

Me:These ATS are defintely hard to get use to....

I sighed in the utter frustration shaking my head in complete disapproval
me:I'm better than I was last week
I then looked at the brightside of the current situation smiling
'Heh..
a voice had said behind me
I perked my head up in question because of this.Turning around to face this stranger
Me:Umm...hello?
speaking up I eyed the young male
'Practicing for what exactly
he scoffed arrogantly
Me:Excuse me my business does not concern you.Infact i have no idea who you are!
'A little navie,eh? I',m quite surprise you haven't a clue....
he confidently circled around me with complete ease,as if teasing my skill.
Me:I'm sorry nothing has hit me yet
I replied,hinting towards sarcasm.
'Such a shame...maybe I should clear things up for you...
a vicious smirk spreading wide across his face
'Agito Wanijima the King of the Fang Road Does this clear things up for you?
Me:'An A King? what if he's just some punk just trying to get some fun outta scaring some young girl?'
I quizzically asked myself inside my head
I promptly turned around from the strange male.
Now not facing him I closed my eyes,unknowingly avoiding this 'Agito boy'
Agito:I've been watching you for some quite time you know...
Me:So are you like some stalker?
abruptly my eyes widened with curiosity and interest
Agito:No not really..
he scowled
Me:Then what do you want?
soon my anger elevating
Agito:Not much potential...hmm...but you have spunk
Me:What's that supposed to mean?
Agito:You want to fly but the truth is you can't...why is it that you try so hard?
Me:Just because you try to stop me doesn't me I will...I'm going to fufill my hopes and dreams and
there's nothing you can do to pervent that! why don't you just leave!
Agito:Heh.. dream all you want..
I then turned around in hope of him leaving but to my surprised he was gone.I checked in all directions
soon finding him nowhere in sight I then sighed tiredly
Me:Ugh...it's been a long day...
I then skated my way home
Ume:Oh hey Emily!
She waved to me with her hand.
Me:Hey Ume
I waved back
Ume:So ummm...what happen? Are you getting any better with the whole ATS?
She was making those dolls again while talking to me
Me:Yeah I was better than last week that's for sure!
Ume smiled sweetly

Ume:I'm happy to hear that! oh and by the way ummm you know that Simca girl?

Me:What about her?

I had my eyes on her very interested

Ume:She's in the room with Ikki..

Me:SHE IS?!

Ume:Yeah she just started hanging out here...

Me:Do Mikan or Ringo know about this?

Ume:of course they do!

Me:So she's going to stay or what?

Ume:Well she's just visiting!

I knocked on Ikki's door!

Me:Ikki open this door right now!!!

Ikki did not say a word!

I busted open the door

Me:Simca why are you here?!

I yelled

Simca:uhhh hi!

she waved

Me:Ikki?

I noticed that she had her hand on Ikki's chin and he was lieing down

Me:Ummm what the heck are you here?

Simca:I just wanted to know how my little crow was doing...

she said in a soft voice

Simca:But I see that this is you're boyfriend...

Me:What? he's just a friend,dang why do you think that?

I was completely annoyed by her

Simca:Well you always seem to be offended when I'm with him...

Me:I don't like him ok!

I walked away

Ringo:Hmph! so what happen to Ikki this time?

She was not facing me

Me:I have no idea....

After time went by Mikan and Simca were playing video games

Ringo was glaring at Simca

Me:Hmph...

I crossed my arms having my eyes on Simca the whole time

Simca:I WON!

she raised her hand in triumph smiling softly

my eyes were rolling in circles because of Simca stupidity

I grabbed my ATS and put my hand on the knob turning it slowly and out the door I went...

going to the Glum Slum

The woman that was there had big lips

'So what do you need?'

Me:Umm...I need to get my ATS fixed

I handed her the ATS sweetly...

Me:I use them everyday...that's why they look so warned out

'Hmm...I see'

After the ATS got fixed I thought I could just get away from home but that did not work out for me

'Heh...a young girl like you shouldn't be out here in the dark'

Someone said behind me

Me:Well why would you care?

'I thought since you're all alone maybe you should come with me'

He said it in a very untrustworthy voice

Me:No way!

I began to try to skate away but he grabbed both of my wrists

'You're coming...'

He glances a glare at me

it was Magaki

I tried to hit him but I couldn't he was holding both my wrists

Me:Why do you want from me?

Soon my anger devolved farther and farther each time he said something and then his gang came

Magaki:Well I guess you're outnumbered...just one girl isn't going to do enough...

Me:Hmmm....

I looked down at my ATS

Me:Guess we're going to do this hard way don't we well than shall we?

I slowly kicked him in the knee making him fall on the ground

Magaki:What the heck is wrong with you!

He yelled in deeply so loud he probably hurt his throat

The others try to pull my arm but I jumped into the sky very high..

Me:Woa.....

I looked down to see how far away they were..I tried to find something to land on I landed on the ground while standing up

Magaki:You won't get away with this!

'DANG Magaki you're are not very good at commanding people to do stuff'

The young male explained his detail about Magaki

Magaki:Shut your pie hole!

He then yelled loudly enough for him to hear his madness

Me:Hmph... wait can I race you guys?

I stood confidently

Me:I just wanna prove how better I am than you guys so let's do this thing!

Magaki:Hmph asking for more?

He said in a very mad tone

Me:Ummm...yeah duh I wanna beat you guys I feel confident

I slammed my emblem on the wall

Magaki smirked at this,he thought this was a stupid move

Magaki:You're willing to bet your emblem? You're just one foolish young girl how the heck can you beat us?

I rolled my eyes

Me:I just feel like I don't race people and I wanna be a Rider come on you can't blame me right?

'Come on Magaki she's asking for a lost let's do this thing!'

The male yelled commandly pushing forwards annoyance

Magaki:Fine let's do this.

He then slammed his emblem on the wall

Back with the Sisters

Ringo:'I haven't see Emily in a while,wonder what she's doing?...'

Ringo questioned herself where I was

Mikan:Where the heck is EMILY!? SHE'S NOT HERE FOR OUR BARBEQUE!

Mikan said very madly

Ume:Nothing's fun when she's not here.

She said sadly

Ume:She should of been here by now.

Ringo:She said she was going to the Glum Slum but it doesn't take that long to get ATS fixed

Ringo sadly spoke

Back with me

We were about to start the battle

Me:Ok! 1.2.3!

I cry out loudly

I than run quickly haven't the Skull Saders behind me

Me:Heh...

I smirked lightly

But the Skull Saders catch up fast.

I than started to run faster and started to jump into the sky doing a twist and stretch my leg out and jumped down pushing my weight into the AT with hyper speed

Magaki:THIS CANNOT BUT HAPPENING TO ME!!!

He yelled out to the top of his lungs

The Skull Sader were still behind me but still skating fastly with all there might

Me:You'll never take me alive!

I yelled out happily,confidently,and cutely,causing Magaki's material to annoyance

Me:WOW YOU REALLY SUCK!

I stuck my tonuge out making fun of this 'Magaki boy'

soon anger became farther and farther each time I spoke

Me:Aren't you great?! this is a piece of cake,SKULL HEAD!

Magaki was ignoring me trying to keep his eyes on the battle

Me:'Hmph probably that Agito is watching me,I mean he's cute whatever,ok that was a joke~

Back with the sisters

Mikan:She's so silly dang! can you at least tell yse that your gonna go!

Mikan had annoyance inside her tone

Ringo:Who knows what she's doing

Ringo said worriedly trying to shake it off

Mikan,Ume,and Ringo have been searching for me

Ume:Is that her?

She pointed down seeing me Mikan,Ringo,and Ume have saw both of the emblems on the wall

Mikan,Ume,and Ringo stared at eachother anooyedly

Mikan:Well we might as well help her right?

Ume:But look at her speed and her moves! don't you think she can handle this by herself..

Mikan:You know that Emily is part of Sleeping Forest right?

She stared at Ume seriously

Ume:Yeah of course

Ringo:I don't know Ume I don't know if she's good enou--WOA LOOK SHE JUMPED IN THE SKY!

I have than stood and started to skate xtremely fast and I've got to the finish line

And I winked at Magaki

Me:What did I tell you?

Mikan:Well I guess it's to late now!

A smirked had cross her lips

Ume,Ringo,and Mikan had high-five and have slapped there hands together

Magaki was speechless

Me:Who's Mr.tough guy now?

I pointed my finger at him teasing him endlessly

Magaki had tried to punch me but he had failed and I had change position quickly and had dodged my

Me:Temper,temper Magaki

I had shoke my finger

Magaki:How dare you tease me with my temper..

He had shot me a glare

Mikan:Man she sure is a slap in the face..

Mikan had said quietly

Me:Well I guess I'll see you losers later right?

I had said happily shoving it in there faces

'Oh are you to much of a chicken that Magaki is going to beat you up?'

He had said teasing me in response I had laughed at this

Me:Actually I think me and Magaki are good friends right?

Magaki:I CAN'T BELIEVE I LOST TO A LOSER!

I had yelled out ignoring me completely

Magaki:This Battle had never happened

Magaki and his gang had skated their way out of my way

4 - Jump Into The Sky

I had then relaxed my hands behind my back and I had looked down at my ATS

Me:"Not again...."

I said with frustration and sadly staring at my wrecked ATS

Me:"And I just got my ATS fixed today.....,but hey I've just had my first battle!"

I jumped up and down happily with my hair blowing everywhere

Me:"I better be getting my way home..."

I said cheerfully,happily and with a light smirk across my lips.I then had started to jump on a building one by one

Me:"Wow...you can really do alot cool things with ATS."

I said amazingly looking down.I had then jumped down to the house opening the door

Ume:"We're so proud of you!"

Ume had hugged me unexpectedly.I had my hands in the air slightly surprisingly from her grip

Me:"What are you talking about?"

I said confusedly.

Ringo:"The battle!"

She smiled sweetly and kindly throwing out her words happily.

Mikan:"Yeah but the bad thing was that you didn't tell us....we could of helped you!"

She said sadly,angrily,and disappointedly

Me:"Oh the Skull Sadlers it was really nothing....,I actually jumped into the sky like 5 times...."

I said proudly

Ringo:"Yeah Emily you have to tell us!"

Ringo spoke out her words sadly

Ringo:"But we still are very happy for you!"

She had giggled

Ume had sat down while making her dolls

Ume:"Snip,Snip,Steep,Steep,pick up the niddle and drag it in deep"

Back with Magaki.....

Magaki:"HOW COULD I LOSE TO THAT IDIOT?!!"

He had brashed out his anger to his gang.

One of the males sighed annoyedly

"Do you always have to yell?"

He had said with annoyance and misery in his voice

Magaki:"And how the heck can she jump into the sky like a little girly girl??!?!?!"

He had yelled out his words harshly.

Magaki:"Temper,Temper..."

He then started to talk like a real girly girl...

Magaki:"I HATE THAT GIRL!"

One of the figures had slapped there head

"This is really getting old...."

I was about to open the door but I noticed that Ikki was there grinding on the walls...

Me:"Ikki?"

I said with perplexity in my tone. Ikki had landed close by from where I stood.

Ikki: "Practicing....."

A delighted smirk had crossed his lips

Me: "Hey could I practice with you!"

I smiled quite a friendly one.

Ikki: "Hmmm...I don't think you're good enough."

He had with a complete joking and playful way

Me: "Awww how dare you?!"

Me and him were just joking and playing...

Ikki: "I was just kidding you can ride with me all you want"

The sky was very faintly pink, then it was pinker. The colour went higher up the sky. It grew brighter and deeper. It blazed like fire, and suddenly the clouds were glittering gold in the centre of the blazing colour, on the flat edge of the earth

Me: "Okay I am going first would that be alright?"

I had placed my finger on my bottom lip playfully

Ikki: "Okay we'll just see if you're better than me!"

He had laughed

Me: "We'll just see about that!"

I had risen up above the sky, while doing a backflip stretching my leg out backwards pushing it hard I had jumped onto buildings while grinding on them and finally I had landed down while looking at Ikki confidently

Me: "How was that?"

I smiled deeply over doing my happiness

Ikki: "That was unbelievable how did you do it?"

Ikki said with complete amazement in his tone of voice

Me: "Practice makes perfect.."

I said confidently, being proud of myself

Me: "Well it's your turn Ikki"

I had pushed Ikki hardly pushing down on accident...

Ikki: "What was that for?"

He had placed his hand on his head from the pain

Me: "Oh I'm sorry!"

I had placed my hands very close to my cheeks in a firm manner

Ikki had uprighted his feet together

Me: "Ok come on Ikki you can do this!"

I had placed my hands behind my back relaxingly happy

Ikki's legs had moved quickly escaping me, which flew his jacket off, landing on my head

Me: "What the?"

I said preplexibly with the tone in my face I was confused

Ikki was running so fast I could see his dust trail

Ikki had returned quickly

Me: "Boy that was fast!"

I said with proud and happiness coming through my voice

Ikki: "I think me and you should do this one together!"

He had grabbed my right hand tightly not losing the grip of my hand

Me: "Together!"

I had raised my left hand in the air

Me and Ikki started to move our legs, pushing our weight into our Air trecks, me and Ikki had shown our dust trails because of our speed me and Ikki had held on tightly to our hands while grinding on walls backwards

The thought had just came to mind about a month ago when me and Ikki had train together, me and Ikki got our Air Trecks on the same day...

A flashback about one month ago..

Me: Yay I'm got my Air Trecks!

I had removed myself off the ground and had jumped up in the air out of happiness while holding my Air Trecks tightly

Ringo: I'm so glad you've got your Air trecks now, you've been waiting for them for such a long time! her kindness had just grant me a smirk across my lips

Me: I'm going to train with Ikki before it is to late

I had moved my legs quickly to the door and had placed my hand on the knob pushing it

Me: Ikki?

I had turned back and forth, looking for Ikki, after my footsteps have touched the ground I had heard a sudden noise out of nowhere

Me: Hmm..? what was that?

'Owww...!'

I had Moved quickly, following the noise.. I turned around and I found Ikki!

Me: Ikki are you ok?

Ikki was upside down from having practice..

Ikki: I'm alright..

He had uprighted his feet, getting up

Me: We'll guess what?

I said playfully, holding my Air trecks behind my back

Ikki: A shuriken?

Me: NO!

I had a happy utter from my stomaching, laughing playfully

Ikki: I give up!

He said with utter confusion

Me: AIR TRECKS!

I had been holding on to the Air trecks up high

Ikki: THAT'S AWESOME!

His eyes were widen from the surprised I had showed him

Me: I just had just enough! how cool is that? but the bad thing is that I barely have any money left but the best part of it is I GOT MY AIR TRECK! I came out here to practice wanna practice with me?

Ikki: Yeah sure....but I'm not very good...

he was very nervous of the sentence that had came out...

Me: Oh that's ok Ikki you just got em! of course you won't be perfect

I said happily with my smirk across my face

Ikki: We'll I guess you're right!

Me: We'll come on let's practice silly!

I winked at him playfully out of happiness

Ikki: We'll okay...

I had slipped my Air trecks on

Me: OKAY LET'S GET STARTED!

Me and Ikki were standing on our feet nervously, we ended falling down

Me:This is gonna be harder than I thought....

Me and Ikki got up from our feet finally our legs stood in a firm manner

Ikki:Phew....that was close...

Me:Ikki let's just do this.....

My annoyed side had come right out through me

I contained myself to stand still

Me:Hmmmm....

I had stared down at the floor,feeling nervous

Me:How do I use these...?my sisters are really good...but how do they do it?

I was very eager to know why they were so good.....

I had turned around,facing Ikki...

Ikki:Come on get the show on the road!

He relaxed his hands onto his hair with annoyance in his tone of voice,leaving his elbows wide open,Ikki had push me unexpectly

Me:Ah-AWWWWWWWWWWWWWWWWWWWWWW!

I screamed out because of the fact I had stepped on my right foot spreading out my left foot,finally falling down

Me:Oww my hand...

I had placed my hand on the back of my head from all the pain I had went through,after seeing Ikki's eyes I had shot a glare at em...

Me:You almost kill me! dang....

with mad,cruel,and upsetness this made Ikki a little be concern,I rarely ever talked like this,this was a new side of me....

Ikki:Uh.....I'm sorry.....it was an accident....

He placed his hands closely to his cheeks in a scared manner

Me:It's okay....just don't do it again...

I had turned around so only he could see my profile,while crossing my arms madly

Ikki:I knew you could forgive me!

A smirk that was very affected,smug,and offensively,he started to pitch a shoulder a bit

My head had turned up to see the dark sky,the sky was pitch black there were sky blue clouds upon us,I had grabbed Ikki's arm forcefully and unexpectly because of the night sky,me and Ikki had glanced at the walls

Me:LET'S DO IT!

I had walked over to it about to jump on the wall,but Ikki had grabbed my wrist quickly before making my move

Ikki:Shouldn't we wait for that...

Ikki was very uneasy about this situation

Me:Ahhh fine

I had cried out cutely in a playful way,I was just kidding

End of flashback

But me and Ikki wouldn't be terrified by that anymore...,me and Ikki had rested our bodies on the swings that were near by

Me:You're pretty good!

I had stood,uprighted my feet,closing my arm tightly beneath my chin,while winking at him playfully

Me:Oh my gosh! It's getting late!

My legs had ran as quick as they could,entering the house

Me:HIYA!

I hand started to shake quickly,nervously talking,I had saw the group of sisters talking to a young lady with long chocolate brown hair,Ikki had pushed the door open,guess who? RIKA!

My feet had quickly moved to her,having my hands in the air,fianlly hugging her

Rika:Well it's so nice to see you guys again,I've just got back from my road to--I mean Business trip!

Rika's head had went up to see Ikki's expression

Ikki:Ummm hi..?

Ikki had waved his hand up confusely

Rika:We'll Emily and Ringo have you been keeping a sharp eye on Ikki?

Her eyes began to be small,looking at us with an questionable expression

Me:Well of course we can't let that silly teen running off!

Ringo:Well of course we can't let that silly teen running off!

Mines and Ringo's tone of voice was very nervous and uneasy

Rika:Hmm...

Rika had looked at us like we were crazy..

Ume:Well it's so nice to see you BIG SIS!

Her hands had went into the air,fianlly catching Rika's grip

Mikan:Well tell Rika the good news Emily...

She lead into my ear,her voice was very low,she was almost mute..

Me:Oh yeah...,umm...Rika I've raced the Skull Saders and I WON THE BATTLE!

My eyes started to close happily and confidently,waiting for a response from Rika

Rika:Are you serious?but that can't be true...you've been writing for a month...

Her voice started to sound very collision,once she heard this

Me:Yep it was a totally cakewalk!

My head had been up straight with my finger place near the bottom of my cheek,talking proudly,my eyes were very wide my eyebrows were up

Rika:Well that's very sweet to hear those words come out of you're little sweet mouth!

Her voice had a very cajoling voice that had spoke sweetly

Me:All in a day's work!

NEXT DAY

The sun had shined up,causing light around the whole sky,there were many clouds upon the sky,the sky was sky blue

I had woke up scratching my head,while my feet were stepping one by one,walking down the stairs

5 - Still hanging out with Simca eh?!

I've had heard plenty of talking and chewing, finally down the stairs I had scratched my head

Ringo: Good morning Emily!

She waved her hand started to shake quickly

Ume: Oh I'm sorry Emily....

Her eyes had went down to see the pot was containing nothing

Mikan's eyebrows were down closely to her eyes, closing her mouth

Mikan: Well there's always rice right?

I had flew my hair up by blowing it

Me: Well that's okay.....

I had sat down on the chair nearby, the chair was made out of wood and pink plumerias were in the middle of the wooden chair, slowly picking up the ramen nearby

After breakfast me, Ikki, and Ringo have walked step by step walking to school, We place our bodies onto our chairs, relaxing them

A girl with blond hair, two blue ribbons had been tied on both sides of her hair, her eyes were brighting, blue, clear eyes, she had been wearing a pink jacket her name is Tom Tom

Tom Tom had turned around looking behind her

TomTom: Hello!

A red flush had crossed her nose, waving to the whole class

Me: Oh Hiya TomTom!

My hand had been in the air, waving to her politely

Ikki: Ugh.... doesn't she always do this?

the young boy's tone was full of annoyance

After class was over Ikki, Kazu, and Ongiri decide to hang out just a bit longer in the school

Ikki: What do you guys think about forming a team?

The young teen had placed his legs onto the desk, while closing his eyes

Kazu: Ikki you're crazy!

Kazu's blue aqua eyes had grew wider, from this unexpected comment that had came out of Ikki's mouth

Ikki: I want both of you to get two pairs of ATS

Ikki had gave order to the 2 young teens, asuming they would obey his direct orders

After that Me, Ikki, and Ringo decided to go trian outside

Ringo: It's time to learn the basics of the basics!

Her hads had be shown up, not too high

Me: Which means you better pay a attention....

I placed my finger near my eyebrow in a playful manner

Ikki: Yeah yeah I will...

Ikki had spoke with slight annoyance from the comment I had said

Ringo: Okay now this is the walk, walk walk....

She started to move her legs in a strange manner, this had brang out a laughing sound from Ikki's mouth

Ringo had turned around from hearing this sound

Ringo: Ahh...! Ikki if you're not going to pay attention to what I am doing than you're off on your own!

Ringo had shout out with annoyance, revealing her annoyance towards Ikki

Ikki: Ahh... fine okay here we go.. the walk, walk, walk

Ikki had been doing exactly what Ringo had did, walking strangely to the fountain nearby, the fountain was very small the water had been dripping out of it slowly hitting to the ground

Ringo: OKAY STOP RIGHT THERE!

Her hand had went up in the air a bit, showing Ikki a sign to stop

Ikki had dropped down right on the floor anxiously falling down..

Me: Ikki you okay?

I immediately moved my legs quickly running to Ikki, Ikki had been blinking and finally opening his eyes... right when he had open them had seen me and Ringo leaning over to his face

Ringo: You're okay right?

Ringo had torment herself with complete worries

Ikki had stood up straight..

Ikki: Yeah I'm okay...

Ikki had placed his hand onto his head slightly...

After all of that Ikki had decided to wonder off somewhere.... he had heard plenty of grinding, but what was it? Ikki had followed the noise, He had seen her before, her pink hair had been flying from escaping from these strange stormriders, the strange stormriders looked like they had masks on, dog masks, anyways her long green Air Trecks had been grinding onto anything she could walls anything she could anyways it was Simca, Ikki started to punch them from behind, kicking them anything he could for them to get away from Simca, anyways the stormriders finally quit on attacking Simca

'You won't get away with this...'

The two stormriders had cried out, finally skating their way out

Ikki: Well it looks like I'm already have...

Simca: Hey little crow...

she had lended at a playful, flirtable talk

Ikki had turned around seeing her beautiful long pink hair blow from the wind her eyes began to grow small, a wide smirk had appeared quickly, crossing her lips

Ikki: Oh HEY SIMCA!

When Ikki was speaking joyfully red marks had been crossing his nose

Simca: I think you deserve another reward from the swallow....

her right eye started to close, she had been winking at him playfully, while talking like a flirt, this had just made Ikki alot redder than before...

Ikki: Another reward for me?

He had pointed at his chest in a questionable manner

Simca had blew him a kiss, the kiss had transform into a heart and slowly landed onto his lips, Ikki had placed his index finger on his lip

Simca: You're pretty good, The next time I see you... you'll get your next reward, Seeya later CROW!

She had moved her Air trecks with eltra speed, spreaded her hair, she started to jump into the sky...

Ikki had placed his hand onto his lips, he finally had turned around seeing me....., crossing my arms madly

Me: WHY THE HECK ARE YOU WONDERING OFF WITH SIMCA EH?!

I had spoke derangefully from the momments that had happen with Simca and Ikki

Ikki: Please Emily don't hurt me!

He had closed his eyes in a frighten manner placing his hands closely to my face, I shot a deadly glare at him

Me: Hmph...

I started to skate fastly, moving my legs fastly, trying to get out of there quickly

Me: 'Of course he always with that girl... and I can't stand it...'

Ikki: Emily were are you goin--

Ikki had just felt worried for me,because of my reaction

I slowly started to wonder off anywhere to sit or lay down at..and home was not the place for that,finally finding somewhere alone,I sat my body against the wall

Me:Why does she always do this? why...?

The voice that had came out of my mouth was very depressful from the thoughts of Simca coming thorough my mind

I slowly put my head down,towards my knees...

Me:This is so mess up.....

affected by unhappiness...,I've had looked up seeing the sky,I had placed my arm around my lips.....,I slowly uprighted my feet by standing up straight..

Me:I'm going home.....

I slowly started to move my legs...forming me to skate...,after finding our house,before I turned the knob I found Ikki sitting down and Simca was there also..(Not a good sign)

Simca:It's good to see my crow again...

she had lended her hand onto his cheek,while Ikki's cheeks had red flushes onto his cheeks

I had just pulled the knob,opening the door,after opening it I had slammed it loudly,quickly running to my room....,I had close my door quietly,sitting on the ground sadly..I started to lend my leg stretch to,forming a kick to knock down my little doll that Ume had gave me...the doll's hair was cruly brown hair,her eyes her like tiny ovals they were black,her entire outfit was pure white...her outfit was a shape of a square...I slowly had leaned my head to see what I had did to her...I seize suddenly I had grabbed it and started to stare at it sadly...my eyes had began to be small...

Me:Why does he always follow her?

I had questioned myself sadly...I had began to think when me and Ikki were young..and we had such great times..but now...Simca had just came into his life..

Me:Don't you think that Simca is a jerk?!

I spoke with complete sadness in the tone of my voice,talking to the doll,well of course the doll didn't say anything...she had just stared at me...I sighed sadly at this,I had lied my head on the bed,lieing my head ontop of the soft,fluffy pillow that had been laying on the bed

Simca:And if you can be able to make it the top you are sure to get a reward from the swallow...

Simca had spoke softly and playfully,this had just made Ikki want to go the top even more,since he knew he would get a good reward from Simca which is great for him(Me:*rollseyes*)

Ikki:You mean it really Simca?!

His eyes began to grow big cutely,from the response Simca had gave to him

Ikki:DO YOU REALLY MEAN IT?!

His eyes begin to grow big,his mouth was wide open out of excitement from the good news that Simca had told him

Simca:Anything for my crow...

Simca had placed her hand where is chin was,she smiled happily smirking,Ikki had blushed madly,he could not speak nope not one bit,not one word came out of his mouth.

Simca:I'll see you later!

She was already in the sky,grinning happily,her legs had been put together in a happy manner her legs were touching,she waved to him happily,she had placed her finger on her pair of goggles,pushing it down quickly

Ikki:She's gone....just great Ikki you messed it up for you again

He placed his hand on his forehead,dragging his hand down all the way to his chin,just upset with hiself that maybe he scared Simca away,from behind someone had grabbed his wrist roughly,and growled at

him madly, and then had kicked him in the hand, causing him to drop down to the ground

Me:TAH!

I cried out loudly and vigorously, I had balled a fist and uprighted my feet, standing up straight
Ikki had took his head out of the dirt, and started to get rid of the dirt that had been on his face

Ikki:WHAT WAS THAT FOR?!?!?

He cried out loudly from the reaction that was made from me, his eyes were wide open, laying one hand on the ground

Me:That's what you get for hanging out with Simca!

Ikki:Emily what do you have against the girl, SHE'S SMOKIN' HOT! YOU MUST BE JEALOUS OF HER!

He shot a glare at me slightly, revealing that he was mad about the whole 'Hate Simca thing' and the whole kicked in the hand that he received, I turned around madly, folding my arms, tapping my other hand

Me:Ikki you don't understand what I don't like about Simca and you never will.....

My voice started to sound sorrow, Ikki never understood why me and Ringo never liked her

Ikki:Emily are you okay?

He grabbed my hand tightly, concerned about how I was speaking, all of the depressedness, and all the sadness that had surrounded me, I turned around faking a smile so he could not be worried about me

Me:I'm fine don't worry at all!

I shook my hands, smiling with my eyes closed, grinning big

Ikki:Hey could you help Kazu and Onigiri with their ATS I told them to get their Airtrecks so we can start a team!, they might need help and they need you!

he pitched my cheek in a jokely manner, as he was kidding in the moment

Me:Don't pitch me! Oh so you are starting a team huh?

I push his face away with my hand jokingly, jokingly and playfully talking about my reply

Ikki:Yeah and you know that they're going to fall right on their feet once they start

Me:I'll be sure to help them with that!

Kazu:Okay now how the heck do I put these on?

Kazu had been puzzled about the whole Air trecks thing he didn't know how to use them or how to even place them on his feet(Me:????)

The puzzled youngling at finally placed them on tying the snouts and all that needed to be tied, unexpectedly I had bended over happily

Me:Hiya guys!

I waved happily and quickly, closing my eyes, making a big cute grin, as Onigiri's and Kazu's reaction they had jumped up scared, causing them to run, from all the scaredness, since they had just tried the Airtrecks, they were having one foot step, making trouble sounds by unfortunatley, and then finally they fall down, with out a doubt I started to move my leg towards the sky, hitting it on the ground, running to them and tapped them slightly

Me:It's me you guys!

Kazu and Onigiri had finally rised to there feet, standing up straight

Me:Ikki said that I should help you guys with your ATS, well since you guys aren't so good.

Onigiri had just began to drool, he would always to preverted things to me.

Kazu:So than you're not here to haunt us down right?

Kazu spoke, a bit unsure, and felt terror

Me:No why would I such stupid things, crap I am your friends right?

I had made a chuckle at the two sillies from their personatiles that just came across

Kazu:Yeah...

His lips began to grow into a big cute grin

Me:Okay than come on!

I slowly began to push the two teens playfully,while laughing,assuming that they would laugh

Onigiri:AHH!

Kazu and Onigiri began to scream since they thought they probably would fall flat down on their faces and they actually did O_O perking up the heads furiously glaring at me.

Me:He...ha..ha..he!

my tone of my voice started to have uneasiness that they might do something crazy or frightening

Kazu:Aren't you here to help us?

With much nuisance in his voice,with he was very annoyed by my reaction

Onigiri:Yeah what's your problem?

Me:Yeah of course Kazu no problem!

I was turning to take out all of the nervousness that had almost came through but it turned into an excited type of talk

Me:Okay stand up straight!

The both two young males started to create a stand,making their feet touch the ground

Me:Okay and run!

I screamed out loudly assuming that they would run as fast as the wind,or maybe not after they started to run they were struggling and were stepping one by one by accident about to fall down,and yep they fall down on their butts(LOL)

Me:Oi...

After having a long day of that training the young teens did learn some stuff since we trained for hours!

The Next Day
