Cardcaptor Amy

Chapter 1: A Cardcaptor is born

Amy Rose lived a normal life. As a fourth grader, she basically had nothing to worry about. She lived with her Dad and Older brother, and had a mom who died when Amy was only 3 years old. Even though she never knew her mom, her dad and big brother talk about her a lot. She lives in a town called Reedington and goes to Reedington Elementary. Amy is on the cheerleading team and is excellent at sports. But she hates math, and is not very good at it. Her best friend Cream is supportive and always by her side. Yup, her life was normal and good. But...that all changed one faithful day. She had after school Cheerleading practice, and came home late. She entered her house and neither her dad or brother were home. "Guess there both coming home late" Amy said to herself. She went to the kitchen to get something to eat. She then heard a noise. "What was that...?" Amy said. She looked around, no one was there except her. "Must be hearing things" she said. She continued what she was doing, until she heard it again. "There it is again" said Amy. She followed the noise and came to the entrance to her dad's library. She took a deep breath as she entered the library. She followed the noise as it got louder and louder. It sounded like someone was snoring. She then stopped when she came to a book stand. The noise was coming from the book on the stand. She reached out her hand to pick up the book. It was dusty, obviously old, but yet was glowing. She read the title. "The Clow" she read. She opened it and inside were a deck of cards, looked like Tarot Cards. "Huh?" she said. She picked up the first card and read the names. "Windy" she read. Then the card started glowing and all the cards flew out. She dropped the book and fell to her knees. She was breathing heavily. She reached out to pick up the book, but something was emerging from it. A little Yellow teddy bear with wings appeared. "Well, hello" it said. Amy looked at the creature as she sweat dropped. "My name is Kerberos, Guardian beast of the Seal!" he said in a bragging tone. "K-Kerberos...?" said Amy. Kerberos looked over at the Clow book. "Well, Looks like the cards escaped" he said. He then looked over at Amy. "Did you open the book?" he asked. Amy nodded. "What happened when you opened the book??" he asked again. "Well, I read the name of the card, then they all flew out..except for 1" she said as she held up 'Windy' card. Kerberos started at her then went over to the book. "What is your name girl!" he asked. "A-Amy" she stuttered. Kerberos brought out a key-like thing. "O Key Of Clow, Someone wished to make a covenant with you. Her name is Amy" Kerberos said and then the key grew into a staff. "Grab the staff!" he said. Amy obeyed and grabbed the staff. "Well, looks like you a Cardcaptor now. "What?!" said Amy. "Your mission is to Capture all the Clow Cards" he said. "I don't remember agreeing to this" said Amy. "Doesn't look like you have a choice" said Kerberos. Amy groaned. She knew her life would never be the same.

2 - Secret Revealed

Chapter 2: Secret Revealed.

BRINGGGGGGGG The sound of the bell gave the students their cue that school is over. "Alright students, remember your project is Due Friday" said Mr. Tearada, their teacher. "Amy-chan!" said a voice. Amy awoke from her slumber to find a purple hedgehog standing by her desk. "T-Tomoyo-chan" said Amy sleepily. "Did you listen to any of today's lesson?" asked Tomoyo. "No, I guess not. I'm just a little sleepy" said Amy. "Whats wrong?! Did anything happen last night?" asked Tomoyo. That was Tomoyo for you, always worried for Amy. After all, they were best friends. "Uhh...yeah just a little problem.." said Amy as she recalled last night. Last night, was her first time on the job. She caught her first card last night, The Jump card.

Flashback

"Amy-chan! You need to capture the card!" said Kero. "H-Hoe?! How do I do that?" asked Amy as she chased after the JUMP card. "With the sealing wand!" said Kero. "But right now, it doesn't look like a wand to me!" said Amy as she held up the Clow Key. "DUH! You have to release it!" said Kero. "That would be how?" asked Amy. "Say a chant!" said Kero. "I don't know any!" said Amy. "Just think of one, and fast! It's getting away!" said Kero. "Hoe....uhhh...." said Amy to herself. She closed her eyes as she ran. "Gotta think of a chant...." she said to herself again. "I got it!" she said. She grasped the Clow key by the chain and got a determined on her face. "Key that holds the Power of Darkness! She your true form before me! I, Amy command you under our Contract! RELEASE!" Amy chanted and sure enough it worked. "I did it...." said Amy. "No time to congratulate yourself" said Kero. "Right...!" said Amy. She brought out the only card she had. "WINDY! RELEASE AND DISPEL!" and she the the card with the tip of her wand. A spirit of a women emerged from the card and went after the JUMP. Trapping it in a ball of wind, Jump was defeated. "It worked!" said Amy. "Your not done yet Amy-chan. You have to seal it" said Kero. "...Ok!" said Amy as she walked towards the 2 cards. "WINDY! RELEASE!" she said and WINDY released JUMP and went back to being a card. "Return to the guise you were meant to be in! CLOW CAR!" said Amy again and Jump turned into a card.

End flashback

Amy groaned as she thought of what happened last night. "What was the problem?" asked Tomoyo. "Hoe..." said Amy. She was afraid Tomoyo would ask this.....how exactly could she explain it to her. "Nothin...I'm fine Tomoyo. Really" said Amy. Tomoyo just looked at Amy for a bit, then gave in. "Alright, but if anything is wrong, you know you could tell me" said Tomoyo. "Uhh...sure" said Amy. She got up

and gathered her stuff, and the 2 friends left for home. "Oh, Tomoyo, what exactly do we have for Homework?" asked Amy. Tomoyo giggled and replied "Do page 130 in the Math book, he taught us how to do it today" "Great-and I dozed off. I-" but Amy was cut off by a loud scream. "What was that?" asked Tomoyo. "I don't know" said Amy. "Maybe it was a clown card" thought Amy. Then, they heard another scream, and saw a crowd of people running towards them. "Let's go!" said Tomoyo and both started running with the crowd. "Amy!" said a voice. Amy stopped and looked around, and saw Kero hiding in the bushes. "Kero..." said Amy. "Amy-chan come on!" said Tomoyo as she grabbed Amy's hand. "Uhh...Tomoyo, you go ahead, I'm...uhh....I gotta go" said Amy as she started to run off. "But Amy!" said Tomoyo, but too late, Amy was already gone. Curious, Tomoyo followed Amy secretly. "Kero!" said Amy as she reached Kero. "A clown cards on the loose, come on we have to hurry" said Kero. "...OK...Key that Hides the power of darkness! Show your true form before me! I, Amy command you under our contract! RELEASE!" and the key turned into a staff. "Rahhhhhh!" was all that Amy heard before she was face to face with a huge bird. "The fly card!" said Kero. The FLY card flew towards Amy for an attack and Amy ran. "Amy-chan! You need to find a way to calm it down!" said Kero. Amy stopped suddenly and stayed glued in the spot she was in. The card was coming closer and closer, and then stopped right in front of Amy. "Your hurt aren't you" said Amy. "Wha-?" said Kero. The Fly card nodded. "It's ok, if you come with me, I'll help you" said Amy as she smiled. The card nodded, as Amy held up her staff and hit it in the air. "Return to the guise you were meant to be in! CLOWN CARD!" and Fly card appeared in Amy's grasp. "Great job Kiddo!" said Kero. "KAWAII (CUTE)!" said a voice. "Hoooo" said Amy. She knew that voice. A purple hedgehog emerged from the bush, and it was none other than Tomoyo. "Uhh...Tomoyo...uHHH...I can explain" said Amy as she sweat-drooped. So, Amy told her everything. "So Kawaii!!! I'll have to make sure to tape your adventures!! AND I CAN EVEN MAKE COSTUMES FOR YOU!!!" said Tomoyo, starry-eyed. "Phweee...." said Amy.
