Here is another song that I improved, and yes, it is also about the elusive brother Joe. He was making fun of all the cute guys in some animes. He would say that I love all of them, which is not true. So I started humming a song, and before I knew it, I was left with this.

Cat Steven's version of "Another Saturday Night"

It's another Saturday night and he ain't got nobody, he likes Tea known as Anzu too, Mai is pretty but not like Allister, *he's got the hots for Fuu. (i love this line!!!!)*

Another Saturday night and he ain't got nobody, Primera's special, Rebecca too, Vivian packs a lot of fun, he pulled a gun on you.

Another Saturday night and he ain't got nobody, he took Hikaru, Emeruade, Ishizu, he likes Caldina then the other Umi, and Presea too.

It's another Saturday night and he ain't got nobody, I think I'd better stop right now, he might kill me for writing this song, but I shall survive.

Yes, I have no life. Comments please.
