Chapter 1 - Untitled

1 - Untitled

If I had someone like you by my side

I wouldn't be sad, I wouldn't have cried

If I had someone like you with me now

I wouldn't be angry, I wouldn't know how

Even though we may forever be apart

You are still my love, you complete my heart

Even though we may never meet

I will love you until my defeat

I wish we could be together right now

To cheer you up as best I know how

I wish I could be with you tonight

To make you smile and kiss you good night

All I need is your love to get by

You make me happy each time you say hi

All I need is your caring, gentle words

Each time you say you love me I fly with the birds

Your love is the best thing you could possibly give me

I enjoy it more than anything else you could do for me

Because to be loved by someone as great as you

Is the best thing on Earth because I love you too
