My Friends 12-31-03

Life isn't worth it without friends
They're always there in the end
I don't know what I'd do without them
They're the perfect thing to write about then

Now, Chelsea's a bit loud
She can be as fluffy or as dense as a cloud
But she's always there to cheer me up
She's always there to say, "Wassup?!"

Che' is always good for a laugh
She's always up for dissin' staff
She's always there to help when we're all on the brink
Someday she'll make a really good shrink

Victoria and I haven't been friends very long
But she has quite a personality, really quite strong
She's great for jokin' around
She always seems pretty wound

Carrie's always so happy
She seems so carefree
She always has a smile
Although we haven't talked in a while

Courtney's the nice one
So don't be dissin', son!
She's popular with the boys at school
She's really funny and cool

Out of all my friends I could never choose a fav
I cherish these friendships; it's somethin' I wanna save
Even when I'm blind and I can't see
They are always there for me
