# 1 - Untitled

Insomnia 1-12-04

My eyelids are heavy  
My limbs have turned numb  
Won't you please listen  
With this rule of thumb

Sleep is important  
Without it you'll die  
If only I learned that  
Before I scorched the sky

My head starts to drop  
Finally some sleep...  
I fall to the ground  
I didn't notice the curb was so steep

As I lay in the street  
People begin to stare  
I close my eyes tight  
Hiding from the sun's burning glare

People start to help me up  
I stagger to my feet  
I see the car, but it's all too late  
As I lay lifeless on the street.
