Chapter 1 - Untitled

2

1 - Untitled

Among these crumbling towers
Many soldiers give their lives
Leaving family all behind
They leave their crying wives

These soldiers do not have a life
For their lives are thrown away
They fight for their only cause
While many run astray.

To the army general they are nothing but toys
To the army general they are puppets of war
They wish nothing more than to be free
They have forgotten what they're fighting for.
