Chapter 1 - Round and Round I go

2

1 - Round and Round I go

I remember when I played with the horses,
Their lovely tunes run through my head,
I could stay with them for hours,
And listen to their songs upon days,
Up and Down they went,
Carrying me to their world,
Oh how I love them,
Oh sweet voices carry me away,

I smile when I ride the beautiful creatures,
They are oh so real in my young mind,
They are my most close friends,
I tell them my secrets as they carry me,
Around and Around we go,
I wish for it to never end,
I hug his broad neck tightly,
My small hands fondle his beautifully carved mane,
I pretend it is real,
And giggle as his silky tress's tickle my nose,
He is beautiful,
They are all beautiful,
I feel so happy,
Oh so happy,
Oh how I love them,
Oh sweet voices carry me away,
Carry me away
