Chapter 1 - Angel blood

2

1 - Angel blood

You are my angel that lies in Heaven.

I wish for you to come but you protest for your wings are broken.

I ask again and yet you refuse.

Oh angel I cry, fall and i will catch thee.

You refuse and rest against the clouds, weary, bleeding.

Then I shall come up and save thee.

I stand under your wounded body and stable how to reach thee as I drown in the dripping blood.

Oh fair angel I shall reach thee in death.

Sheild my eyes from the red light and take me with thee, kill me with thine blood and curse.

And so I die, carrying the burdden of the broken wings, so that I shall never see thee again.
