# 1 - Untitled

You're Looking away from me,  
You don't understand what I feel  
I want you to know what I mean  
But when I wanna tell...  
It's something that Stops me, And then I tell something silly  
It's painful everytime again, why Can't I tell the truth?  
Nobody Understands,  
They think I'm crazy  
I cry,  
Everytime,  
When I think about it

My dreams tell me what I feel but I,  
Don't understand, Why me again?  
I'm not ASKING for it!  
Why?, It's me?, Why not somebody else than me?  
I'm not the one, where you're waiting at,  
I'm crying because I know that.....
