# 1 - ~\*Chapter One\*~

Yusuke and Keiko were walking down the beach one day when from out of nowhere a dark sinister shadow appears.

An evil voice says "I think things have been a little to quiet around here. Let's spice it up a bit."

Yusuke pulls Keiko behind him, "OK big shot. Show yourself." A figure, in a black cloak that covered everything, except for his blood red eyes, standing about 5 foot 6 inches, comes out of nowhere and pulls out a demonic sword. Yusuke points his finger and starts to take aim for his spirit gun. The figure starts chanting something and then slices threw the air with the sword.

"Why you!" Yusuke fires his spirit gun at the figure. While Yusuke's spirit energy came towards him, the hooded figure quickly disappears in a cloud of thick black smoke.

"Yusuke? Did you hit him?" Keiko asked.

A voice in the smoke says "Hey watch it! That almost hit us!"

Yusuke "What the?" The smoke clears and a young beautiful woman with a bow and arrows and a young child with fox feet and a tail on her shoulder, a beautiful women with a giant boomerang sitting on a giant cat with two tails and flaming feet, a man with a staff wearing a Buddhist monk outfit, and a man with a sword, long silver hair, and little doggie ears (slightly red in the face from anger); can be seen. The man with silver hair says "What's the big idea trying to shoot us!?" Draws his sword and rushes towards Yusuke.

The young woman with the arrows yells "Sit Boy!" and then says "Hi I'd like to apologize for Inuyasha." looks at Inuyasha's twitching body "Anyway I am Kagome and this little guy" points to the child on her shoulder "is Shippo, and she" looks at the woman with the boomerang "is Sango, the cat she is sitting on is Kirara, and this guy is...Hey where is Miroku?"

While Kagome was giving introductions, Miroku had snuck over to Keiko and grabbed hold of her hands and asked "Will you do me the honor of baring my child?"

Yusuke yells "You better let go of her if you know what's good for you!" Yusuke starts to ball up his fists. Sango hops off Kirara and starts rolling her sleeves up. Kirara changes into a little cat like creature and curls up in the sun warmed sand and takes a nap. Before Yusuke gets to knock the living snot out of Miroku, Keiko pulls her hands free and slaps the monk on his left check.

Everyone (except Inuyasha whose head is stuck in the sand) watches as Miroku spins like a human top and just before he gets a face plant into the sand he manages to mumble "Ouch, that's going to leave a mark."

Keiko gasps and says "I didn't mean to hit him that hard."

Yusuke loosens his fists and starts to laugh. He falls to the ground and starts rolling in the sand. He can barley say "I still don't care what any one says, you hit harder then any guy I know."

Sango rolls her sleeves down and blankly looks at Kagome. Kagome looks back at Sango with the same exact expression.

Inuyasha finally pulls his head out of the sand and says "I hope that sit command didn't damage the Tetsusaiga" he starts to examine the Tetsusaiga (his sword). He then looks at Miroku "That's what you get. You stupid lecher."

Shippo hops off of Kagome's shoulder and picks up a stick and starts pocking Miroku with it. He then shrugs and says "He'll never learn."

Kirara wakes up from all the commotion. She takes a look at everyone and then goes back to sleep.

Miroku gets up and starts rubbing his check. "What hit me" he says.

Inuyasha points to Keiko with the Tetsusaiga "She did."

Yusuke stops rolling in the sand and runs in front of Keiko. "If you try anything like that again, I guaranty you won't live very long" he says to Miroku.

Sango asks "Just how did we get here?"

Yusuke says "Huh? Well it might have something to do with that hooded guy."

"Hooded guy? What hooded guy" asks Inuyasha. Yusuke explains what he knows.

"Alright lets go get this guy" announces Inuyasha when Yusuke was finished. Miroku hits Inuyasha in the head with his staff.

Inuyasha yells "What the heck you do that for, Miroku?"

"Just how do you expect to get him if we don't know where he is?" Miroku proclaims.

Inuyasha "Uh...I don't really know."

Kagome says "Why don't we go into that forest over there and get out of the sun before we collapse from a heat stroke?"

"Yes. I think we should do that." Keiko says agreeing with Kagome.

Shippo wakes Kirara and she responds with a meow.

Inuyasha re-sheathes his sword and then they all head for the forest.

## 2 - ~\*Chapter Two\*~

Yusuke asks "So whose spirit beast is Kirara?"

"Spirit beast?" Inuyasha and his friends ask.

Just then a little blue creature with big ears and Yusuke's hair cut flies from out of nowhere. The creature lands on Yusuke's head and says "Puu."

Keiko reaches for the creature saying "Come here Puu" and she takes Puu off of Yusuke's head.

"That little thing looks just like you Yusuke" Miroku laughingly says.

A woman with blue hair pulled back in a pony tail comes out from behind a tree. "Well it is his spirit beast after all" she says.

"Botan? What the heck are you doing here?" Yusuke asks.

Botan responds "Well Koenma said that there had been a disturb...Excuse me? What are you doing?"

Again Miroku was being his usual self, he grabbed hold of Botan's hands and asked "Will you bare my child?"

Botan blinks a couple times and then pulls out her oar and slams it aside Miroku's head, after words she sits on her oar and floats in the air.

Shippo runs and hides behind Inuyasha. "She's a witch. She's a witch" he proclaims.

"She's not a witch. She's the Grim Reaper" Yusuke announces.

Kagome looking puzzled says "But I always thought the Grim Reaper was a skeleton that wore black robes?"

Yusuke again explains things and then says "So Botan why are you here?"

"Like I said. Koenma said there was a disturbance in the time/space continuum." said Botan.

Miroku walks over to his friends, sits down and starts rubbing his head. "Now that was a first." he proclaims.

Yusuke points at the Inuyasha group and says "I think that's your disturbance Botan."

Botan looks at Inuyasha, Miroku, Shippo, and Sango and says "Well their clothes do look a little out dated."

“But Kagome’s clothes make her look like a school girl” Keiko says.

Kagome shouts “That’s because I am a school girl. Humph.”

Keiko says “Oh, sorry.”

Kirara runs to some bushes that are in front of a bunch of rocks. “What is it Kirara?” Shippo asks.

### 3 - ~\*Chapter Three\*~

The guys go over to the bushes and pull them out of the way. "No way!" Inuyasha proclaims "There is a whole cave behind these things!"

Miroku says "I believe those things are called bushes, Inuyasha."

Inuyasha turns red in the face "Shut up, Miroku!" Yusuke starts to snicker. Inuyasha balls up his fists "You shut up, too!" Inuyasha rushes over to Yusuke and punches him in the head, hard.

Yusuke winces and starts rubbing his head "That really hurt."

"Inuyasha needs to learn how to control his temper" says Shippo.

"Yes and Yusuke needs to learn how to keep his mouth shut" answers Keiko and Botan.

Inuyasha gives Shippo an evil glare "Come here Shippo!"

Shippo yells "Kagome!" as he runs and hides behind her.

"Settle down, Inuyasha" Kagome says to him.

Inuyasha simply states "Humph. Fine then." and calms down.

Yusuke looks at Keiko and Botan and asks "What is that supposed to mean?"

"Enough of this," Sango says "let us just go check this cave we found."

Keiko looks inside the cave "It sure is dark in there" and she starts to shiver.

"Don't worry," Inuyasha says "really the only thing you should be afraid of is that stupid lecherous monk trying something," he then clenches his right fist "but I'll make sure he behaves."

Miroku shakes his head. "Believe me," he says "being spun like a top and getting hit in the head with an oar is something I'd like done only once."

"What about demons?" Yusuke asks.

Inuyasha says "Believe me. If there were any demons around I would have heard or smelt them by now."

"Heard or smelt them?" Keiko asks.

"Inuyasha is half dog demon" Kagome says answering Keiko's question.

Yusuke asks "Well then what's his other half?"

"Looks to be human to me" Botan says.

"Shut up" Inuyasha yells.

Shippo looks at Botan "You hit the bulls eye...um...Botan?"

"Yes my name is Botan." she says.

Keiko looks at Shippo's furry tail and then looks at Yusuke. Yusuke looks at Shippo and asks "So, What kind of demon are you?"

Shippo answers "I'm a fox demon."

"And a little idiot" adds Inuyasha.

Shippo whines "Kagome, Inuyasha's being mean to me again."

"Inuyasha, be nice and say your sorry" Kagome says while hitting him in the head.

Inuyasha starts rubbing his head and says "Fine then. Shippo I am ssss..."

"Inuyasha!" Kagome yells as she gets ready to hit him again.

"Sorry! Shippo I'm sorry, ok!" Inuyasha quickly says for fear of being struck again.

Botan begins to giggle "Alright then. Let's head for the cave."

"Wait. We still don't know what exactly a spirit beast is." Sango says.

Puu (who is being held by Keiko) answers Sango "Puu."

"Meow" Kirara answers Puu.

"I think Yusuke's twin is saying it is a spirit beast" Miroku proclaims.

Yusuke says "A spirit beast is the reflection of your true inner self, and that's why he," points to Puu "has my hair cut because he is my spirit beast."

"Oh" Kagome says.

Shippo says "Kirara is not a spirit beast. She's a demon."

"I knew that" Yusuke says with an expression that proved he didn't.

Inuyasha says "Well any way, let's go check out the cave." Inuyasha rushes into the cave and then comes flying out screaming and then lands in a tree trunk. "Ouch. That really hurt." Inuyasha says as he pulls himself from the tree and then asks no one in particular "What the heck happen?"

Miroku walks over to the cave mouth and waves his hand in front of it. He pulls his hand back and rubs his chin saying "There appears to be some sort of spirit shield preventing passage into this cave." Yusuke points his finger at the cave "Well then. Let's get rid of it." Yusuke's finger starts to glow a sky blue.

Miroku yells "No! Wait! Don't! Stop!"

Yusuke yells "Spirit gun" and the energy that had gathered up in his finger comes shooting out heading straight for the spirit shield. The spirit gun energy bounces off the shield and heads for Inuyasha's head.

"Whoa" Inuyasha says as he ducks from the energy "watch where your aiming, stupid."

Yusuke just looks at his smoking finger then looks at the cave mouth questioningly "Huh? It didn't work?"

Miroku shakes his head "I tried to tell you but you wouldn't listen."

Yusuke's face turns red then he looks at Miroku and says "Shut up."

Kagome pulls out her bow and an arrow. "Let's give this a try" she says as she takes aim for the cave mouth.

Botan flies on her oar behind Kagome and asks "What makes you think that will work?"

"Because she is the reincarnation of a powerful priestess" Miroku answers Botan's question.

Kagome fires the arrow and it goes through shattering the spirit shield. Botan blinks and says "Well it looks like that worked."

## 4 - ~\*Chapter Four\*~

“Something just hit me,” Yusuke says “this cave wasn’t here a couple of months ago.”

“You mean it was in another part of the forest instead of here in the middle of the forest” Botan says laughing.

Keiko starts to laugh and says “Oh Botan.”

“No. I mean there were no caves in this forest period” Yusuke says.

Inuyasha gets up and heads for the cave. “Where do you think you’re going?” Yusuke asks Inuyasha.

“Obviously, if you said this cave wasn’t here a couple months ago and there was an energy shield, someone is trying to hide something, and I’m going to find out what” Inuyasha answers.

Yusuke nods his head in agreement and everyone heads into the cave.

“I think I will walk, it maybe a little safer” Botan says as she puts her oar away.

## 6 - ~\*Chapter Five\*~

When the light from the entrance is no longer visible Kagome says "It's pitch black in here. I can't even see my hand in front of my face."

Inuyasha says "Don't get any ideas Miroku. I guaranty you won't know whose bum your grabbing for and if you get mine or Kagome's I will not hesitate to rip you to shreds."

"I promise I will not do anything except walk" Miroku says.

Shippo says "I can fix the light problem" and he changes into a glowing floating ball.

Just as soon as Shippo transforms Inuyasha yells, a large boom can be heard, and he says "Thanks a lot Shippo but I think you changed a little to late."

Just then torches of blue flame start to light. "I can see why Inuyasha screamed" Yusuke says. Inuyasha can be seen laying on the ground at the bottom of some steps. Sango says "I don't blame him for screaming. He couldn't see the steps."

Everyone walks down the steps and Kagome helps Inuyasha off the ground. "Look," Keiko says pointing to the middle of the cave room "it looks like a person."

On a rock table the size of a small bed a young woman with blonde hair can be seen. Miroku walks over to the seemingly sleeping woman. "She appears to be sleeping and she seems to have been sleeping for a long time" Miroku says.

Kagome notices the red roses all around where the young women is sleeping "I think someone was in here recently because those roses look freshly cut."

Upon Kagome's saying that, a smack can be heard echoing through the whole cave. Everyone looks at Miroku to see what he had done. "Hey," Shippo proclaims "she's awake."

"How dare you," says the once sleeping woman (who is now sitting up) "how dare you let your hands wonder to my rear."

Miroku just takes hold of her hands and says "I am terribly sorry but may I ask you to do something?"

"And what would that be?" the woman asks.

Miroku answers "It would be to my greatest pleasure if you would bare me a child."

After hearing this, the woman gives Miroku a nice, clean, upper cut to his chin. Miroku goes flying across the cave. Yusuke looks at Miroku's body lying on the floor and then looks at the woman holding up her fist like some big shot and says "Looks like she hits harder then any guy I know, too."

Kagome slowly walks up to the young woman and says "Hello. How are you? I'm Kagome, she's Sango, he's Shippo, she's Botan, she's Keiko, the little creature Keiko is holding is Poo, he's Yusuke, he's Inuyasha, and the guy you just punched is Miroku."

The woman slowly lowers her fist and answers "Hi. I have a major headache and my name is Christica" she starts rubbing her head.

"Now why would you have a headache?" Inuyasha asks Christica.

Botan says "Well if you had been sleeping on a hard rock you might have a headache too."

"Yeah that and the point that I have been sleeping for...it feels like a month" Christica says.

Just then Kirara jumps into Christica's lap and meows. "Oh, I almost forgot" Kagome says "this is Kirara."

Christica starts scratching Kirara's chin "Aren't you a nice kitty" she says.

Kirara hops off of Christica's lap and Sango goes over to help Kagome help Christica to stand.

Christica gets on the floor but she is currently too weak to stand on her own so Sango and Kagome hold her up.

Inuyasha says "I think we should...What's that?" Inuyasha runs out of the cave and starts looking around. He looks up into the sky and a winged creature can be seen. The winged creature comes after Inuyasha, descending at a great speed, with claws ready to shred him from limb to limb. Inuyasha unsheathes the Tetsusaiga and gets ready for a fight.

## 7 - ~\*Chapter Six\*~

Meanwhile back in Inuyasha's time period a man with a furry tail and a furry headband can be seen running around. "Now where did Kagome and the others head off to?" the man asks himself. He then slaps his face and a bug or something can be seen falling to the ground. "How many times do I have to tell you Myoga," the man says to the parasite "don't bite me."

Myoga says "I'm sorry Koga. I always get hungry when I search for something with no success."

Koga looks at Myoga and says "Yeah, but you weren't looking! I was!"

## 8 - ~\*Chapter Seven\*~

In the present the winged creature knocks the Tetsusaiga out of Inuyasha's hands and pins him to the ground.

Meanwhile back in the cave everyone (except Miroku who is currently knocked out) just stands there slightly confused. Yusuke snaps out of the confusion and leans Miroku on his shoulders. "I think we should follow Inuyasha to see why he left in such a hurry" Yusuke says. They all start heading out the cave.

Miroku wakes up and starts groaning. "Put me down" Miroku commands.

Shippo hops on to Miroku's shoulder. "You really need to learn how to control your urges Miroku or you might end up dead" Shippo proclaims.

Miroku says "I can't help it."

Christica says "Kagome. Sango. I think I'll be able to walk on my own now."

Sango and Kagome look at each other and then say "Alright" and gently let go of Christica. Christica wobbles a little but quickly regains her balance and continues to the mouth of the cave. Everyone arrives at the cave mouth and notices Inuyasha being pinned down by a winged creature. Keiko looks at Yusuke and says "You should go help Inuyasha."

"No more fighting" Christica says as she walks closer to Inuyasha and the winged creature.

The winged creature looks up as an automatic response to Christica speaking. The creature gets off of Inuyasha and starts walking to Christica. As he is walking he transforms into a human form. He then begins to run. He gets to Christica and embraces her in his arms. "You're alive. You're alive. I'm so happy" he says as he gives her a bear hug.

"It's very nice to see you Saima," Christica says "and I'm glad you're happy but would you mind letting go. You're squishing me."

"Oh," Saima says as he lets go of her "I'm sorry."

"Good your reunited," Inuyasha says "now just tell me why you attacked me."

"Because," Saima answers "I saw you coming out of the cave. So I presumed you were working for that monster and murdered Christica."

Inuyasha says "Monster? What monster?"

"Some guy with a black hood" Christica answers.

“So your after the same person we’re after” Kagome says.

Yusuke asks “So what was your confrontation with the hooded guy?”

“About two months ago,” Saima says “Christica suggested that I should build a shrine,” points to the cave “to honor the Dragon Guardian that sacrificed himself to save me from being fully corrupted by the Dark Flame some demon tried to control me with. That monster knew of what happen and tried to persuade me to join him. I refused, so he put her,” looks at Christica “into a deep sleep. I laid her in the shrine we built and have stood guard over it ever since.”

“Is that so,” Yusuke says “then why weren’t you here before?”

Saima says “I heard an evil looking guy wearing black robes had been seen.”

“So did you find him?” asks Yusuke.

“Yes he did,” says a short man with black, spiked hair that seemed to appear from out of nowhere “it was just not the guy he was looking for.”

“Hello, Hiei” Botan says.

“Botan, you know Hiei is not big on formal greetings” says a man with red hair as he walks out from behind a tree.

Inuyasha mistakes this man for a woman and asks Miroku “Hey Miroku. Aren’t you going to ask her your most favorite question?” Inuyasha looks around and says “Hey! What happen to my Tetsusaiga?”

Miroku coughs and then says “I can tell the difference between a man and a woman” looks at the red headed man “and he is not a woman.”

Hiei starts to laugh. “Looks like that fool has mistaken you for a woman, Kurama” he says.

Kurama shrugs and says “Oh well.”

Inuyasha says to Hiei “Who are you calling a fool. Shrimp!” then he says “Where is my Tetsusaiga?”

“Hey. I found a stupid old sword” a ugly guy says as he walks up to Yusuke holding Inuyasha’s sword.

Botan says “Um Kuwabara I think you should take back what you said.”

“To late” Inuyasha yells out as he runs up to Kuwabara punching him in his face with his right hand and grabbing the Tetsusaiga with his left. Inuyasha re-sheathes his sword and then looks at Kuwabara, “That should teach you to call my sword junk.”

Hiei looks at Kuwabara. He says to him “Looks like the fool with fleas has done you a big favor, fool.”

Yusuke laughingly says “Yeah! He’s made you look better!”

Keiko yells “Yusuke” and gives him a firm slap on the cheek. “You really need to stop being such a jerk” she says to him afterwards.

“Ouch” Yusuke says as a very bright red hand print appears on the left side of his face. Yusuke takes a few steps and then falls face first to the ground.

## 9 - ~\*Chapter Eight\*~

“Tch” Hiei remarks, “I can’t see how you can let some woman push you around. Yusuke, you are a full.”

Some how without Hiei knowing, Kagome, Sango, Keiko, Botan and Christica all start beating him to a pulp. Keiko yells, while kicking him in the groin, “What do you mean ‘some woman’!?” The rest of the girls respond, “Yeah and Yusuke is not a fool. He is obviously very smart, if he wasn’t then he would be the one being beat on by us.” By the time the girls were finished, Hiei is all covered with bruises and rolled up into a little ball on the ground.

Saima blinks then says “Hey little guy, you look like...What’s his name...Oh yeah, Kuwabara now.” He starts rolling on the ground, laughing very hard.

Shippo begins to poke Yusuke with a stick. He then asks “Are you ok?”

Puu and Kirara come over and, in their own languages, ask Yusuke the same thing Shippo had just asked.

After hearing what Saima said, Hiei instantly feels better and jumps to his feet. “What did you say” he asks angrily as he removes his jacket and begins to turn green.

Saima runs and hides behind Miroku (Christica is too close to Hiei). As he is cowering he says “I was only kidding. Can’t you take a joke?”

“Obviously he can’t” Kurama says.

Christica takes Shippo’s stick and cracks it on the back of Saima’s head. “You really need to learn how to behave” she says as she drops what’s left of the stick.

Saima gets knocked unconscious and falls on Miroku. Miroku steps out of the way and lets Saima fall to the ground.

Hiei stops turning green and puts his jacket back on. “Fool” he says as he looks at Saima’s lifeless looking body lying on the ground.

Yusuke sits up and rubs his cheek. “Did anyone get the number of that truck” he asks no one in particular as he stands up.

## 10 - ~\*Chapter Nine\*~

Elsewhere in a dark, evil place simply called 'Realm of Chaos' a sinister figure sits on a throne in a dark, dreary castle. The sinister figure adjusts his black hooded cloak. The cloaked figure watches what the two groups are doing by looking through a cloud of gray smoke. "The excitement is beginning to die down" he unhappily says.

"Master" a short, chubby, little horned demon says with a bit of fear in his voice.

"What" the cloaked figure snaps back.

"Lila is very hungry, Master. She also is very bored" the demonic servant responds.

The cloaked figure gets an idea then says to his servant "Come here, Kane."

Kane did as he was told and stood at his master's feet "Yes, Master?"

"I want you to send Lila there" points to the picture in the smoke "Tell her she'll have lots of fun and plenty to eat."

"Yes. Right away, Master" Kane says as he bows then hurries off to prepare Lila.

The cloaked figure laughs menacingly as he thinks of what will happen.

## 11 - ~\*Chapter Ten\*~

Mean while in the feudal era of Japan, Koga is seen hoping across a river on rocks. "I'm telling you, you stupid parasite. I've already looked here" Koga remarks as he looks at his shoulder.

"Yes, I know, but they could have come back this way" Myoga says while he looks all serious on Koga's shoulder.

"I doubt-argh" is what Koga says as he slips on a slimy rock and falls into the river "Man is that cold."

Myoga falls off of Koga's and starts floating down the river. "Help! Help! I can't swim" he yells out while he wildly flails about.

"Come here stupid" Koga reaches out and grabs him.

Myoga responds to Koga's grabbing with "Your squishing me."

"Oh really I didn't notice" Koga angrily says as he throws Myoga to the other side of the river.

Myoga lands on the river bank and says "He is as bad as Lord Inuyasha."

While Koga carefully begins to stand up he yells to Myoga "I heard that." He stands up and makes his way to where he threw Myoga. "Whoops" he says as he slips and falls into the water a second time. He gets up and continues to the other side of the river. He was careful not to fall again. "Now what was that" he asks Myoga as he prepares to step on him.

Myoga begins to hop up and down as he says "I was just joking. You are much better then Lor...Uh...Inuyasha. Can't you take a joke?"

"Forget it" he responds "Let's get going."

Myoga exhales heavily and jumps up on Koga's shoulder. "Yes let us go find the others" Myoga says while pointing straight ahead.

"I don't care about the others. I only want to find my woman, Kagome" Koga says as he begins to run.

"And Lor...I mean, Inuyasha. What about him" Myoga asks as he tries not to fall off.

Koga responds to Myoga's question with "For all I care, Dog Face can get eaten by a giant cat. Don't worry Kagome, I'm coming" he says as he jumps over a small ditch.
