**Chapter 1 - Death**

# 1 - Death

Don't make me cry,  
Don't take the chance,  
Or tell me the meaning of "Die"  
You feel it's being,  
The very itself of fear,  
The word no-one wants to hear,  
I swear it hurts,  
I've locked what I can inside,  
All these people perish...  
What if your closest is next?  
The emotion so devastating,  
So hard, perplex.  
Fear is Death,  
Death is Horror,  
Horror is a Nightmare,  
Nightmares are Worries,  
Worries are lost self-confidence,  
Self confidence is provided by love,  
Love that is living...  
Suicide isn't a choice,  
It's the death of the inner self,  
Or maybe a code the left for us to figure,  
Sadness  
U and  
I  
Cannot  
In-depth  
Determine  
Emotionally  
The only thing I cry over,  
Losing friends  
Loss of loved  
Fights  
Depression,  
Yet how does one get over...  
I remember my nightmares,  
Forget my dreams.  
Make my dream come true,  
Just be immortal to me.  
Let me die with you before,  
By all this emotion in me,  
Before you make me cry...
