This is really deep. It's all true the disriptions are real. None of this is figurative i swear.

1 - Emotional

Emotional

I had never in my life been so confused,
I felt hurt, depressed and used.
Yet you never knew me,
Even though you think you do.
People tell you wrong,
It's a lie, stupid, untrue...
Amazing how many emotions,
You shoved me in.
Hundreds of thoughts,
...a million emotions.
Why is it,
That when I want somebody,
Everyone's gone.
Yet when I wanted to be away,
Billions are in my way.
Standing amongst too many to count,
Wanting to scream or shout,
Scared to look up,
Not daring down.
But no matter how hard I try,
You're always there,
In the corner of my eye.
Light shining on my shame,
Yearning for darkness,
To hide the pain.
Nobody must know,
You made my pain show.
Sure somebody would see,
Maybe someone close to me.
They'd know just exactly why,
And wouldn't let me cry...
So I ran away,
Found a friend,
Said it'd be okay.
Still just shutting the door,
Killed me inside,
I love you so,
I won't let this go.
Smiling in my dreams,
I couldn't forget,
The day I cried,

But didn't regret.
