Chapter 1 - New Love

2

1 - New Love

New Love

I was waiting for someone to see,
Just what I can really be.
Talking with friends alone,
Hiding the pain unknown.
Got a message for you to read,
Said his eyes happily.
Thinking it was no big deal,
Opened the note with no seal.
Anxious to see what's inside,
I was riding,
An emotional rollercoaster ride.
The letter was small in words,
But huge in meaning.
Loving someone is hard to do,
Especially if they don't love you.
Asking for love in return,
My heart was beginning to burn.
Yes hurts all the rest,
Maybe now is best.
Struggling for breath,
I was making a decision,
Of life or death.
What to do,
I have no clue.
Waited till day ends,
Wishing it was all pretend.
Walking towards decision,
Only to find,
That I was looking into the eyes,
Of someone kind.
So I decided to say,
I'm in for hurt anyway.
Smiled to tell him yes,
Hoping to give my heart some rest.
Thinking of him all the time.
I hope he'll see this rhyme.
I found someone new.
And the first to tell me,
I Love You.
