# 1 - This little feeling...

WARNING:MAY CAUSE BRAIN DAMADGE

When I hear that song,  
Ofyou and me,  
I wanna sing cuz nothin can go wrong.  
Ugive me butterflies...  
Ican't write about u,  
Myhands won't let me,  
Itmakes me worry...  
U give me butterflies...  
I blush when u look at me,  
I cry when i don't get to be,  
The only one u wanna see.  
U give me butterflies...  
You take away my life,  
And take over my mind...  
Ugive me butterflies...  
Utook away my friends,  
And left me to end...  
Are U really there?  
Isthis one big nightmare?  
Oris it my dream...  
Isaw u hug her, \*why isn't it me\*  
I heard u loved her, \*im sorry to know\*  
U want her smile, \*mine has left\*  
Shepasses u bye without a glance, \*u ignore that\*  
Even though I love u more, it's her u adore...  
She gives u butterflies...  
U think I don't understand, \*but u underestimate me\*  
U told me I'm too young, \*I wish I were\*  
Uthink I wanna be alone... \*I am\*  
You GAVE me butterflies...  
ThenI hear another just like me...  
He calls out my name and tries to get me to listen...  
I pass him to go to you...  
Who am I, or who are u...  
I've known him all my life,  
The one who's confused and pushed back...  
Iloved him, I know him, He loves me like I loved u...  
I give him butterflies...  
Hetells me to let it go,  
I can't forget what I know,  
He catches me as I fall,

He doesn't hurt me at all,  
I wanna tell him about u,  
But I can't hurt him too...  
He always wants to tell me,  
That I can tell him about anything... \*whatabout anybody\*  
He makes me happy,  
I heard mine and his song,  
I wanna sing along,  
He dances with me,  
I now I've begun to see...  
He gives me butterflies...  
Yet every time I forget u help me remember,  
So just tell me this,  
If I tried loving u again... Is it gonna hurt? U still give me butterflies...

---

Yes it was very long, but that kinda how I feel between these two people... Mark is the "u" \*the guy who first gave me butterflies and still does\* and Andrew is the "he" \*the guy who's just like me\* It's this guy I think who is REALLY CUTE, Versus a guy that I've always known so yeah... You DONT ever have to read another one of my poems if this gave u brain damage...
