Milky Way Wishes Prologue

Luna Star Moon was in a dream about 7 special planets around her.

“Luna...” a voice called out to her.

“Huh? Who goes there?!” She called.

“I am Nova, Lord of the Cosmos.” It said.

“Why did you summon me?” Luna said.

Suddenly, a blonde-haired girl appeared by Luna’s side, she wore a pink outfit like May from pokemon & had an Uxie beside her.

“Where are we Uxie?” She asked her pokemon.

“It looks like a galaxy of some kind.” Uxie told the girl.

“I have summoned you both to stop the Sun & the Moon from fighting.” said Nova.

“You mean that?” Luna pointed to the Sun & Moon clashing on Popstar.

“Yes, there, you two will need to travel around 7 planets, Floria, Aquarius, Halfmoon, Mekkai, Cavis, Skyhigh & Hotbeat. You will collect a star from each planet to summon me to stop the Sun & the Moon from fighting. Good luck girls!” Nova then flashed & Luna & the other girl were on Cresselia.

“Uhh, who are you?” the girl asked Luna.

“The name’s Luna, what’s yours?” Luna introduced herself.

“I’m Taylor, what are those planets?” Taylor pointed out 7 planets.

“Those are the 7 plants Nova told us about.” Luna responded.

“Let’s check out that star over there.” Uxie said pointing out at the star-shaped planet.

The girls went to the star-shaped planet & fought off many copy thieves.

The second area had a starry night with crash bombs.

The last area had the essence Copy.

The girls left & went to another planet...

1 - Milky Way Wishes Chapter 1: Floria

Milky Way Wishes Chapter 1: Floria

Luna & the gang went to Floria first.

"So many doors... it's like a maze."Luna pondered.

"You got that right!"Taylor said.

"It's not that hard if you figure out which door takes you where."Uxie said.

"So which doors should we take, being of knowledge?"Luna asked him.

"Go through the door over there twice, keep right until you see a pool of water & go to the door above it, keep right , break the frozen waterfall until you can't go any farther & go through the door, keep right & jump the tree stump & finally go to the door."He explained.

"But were already here."Taylor told him.

"! How?"Uxie asked confused.

"While you explained where we should go, we followed your directions."Luna explained.

"Oh... lets go." They went through the door.

"Twin Woods!"Taylor exclaimed.

"I'll take the one on the right, you take the one on the left."Luna told her & got out her star-seeker keyblade.

"Right!"Taylor agreed & got out her Triple Star.

The girls pounded on the trees until they had enough.

Then they saw a star in front of a fountain.

"I'll get it!"Luna said , grabbing the green star.

Then they left for the next planet...

2 - Milky Way Wishes Chapter 2: Mekkai

Milky Way Wishes Chapter 2: Mekkai

Luna & the crew crashed through a wall & entered the door.

"Woah!, mega tech around here." Luna said.

"Huh? is that a Celebi?" Taylor pointed out to a lone Celebi.

"Bi." It cried.

"Poor thing, all alone." Luna said.

"Bi?" It called to Luna.

"What's the matter little guy? Why are you all alone?" She asked Celebi.

"Bi. (My trainer, Terry was kidnapped by this robo-lobster & I can't find it.)" it said.

"Don't worry, we'll find him. Can you come with us?" Luna asked Celebi.

"Bi!" Celebi responded.

"Okay, let's get going guys." Luna said.

They fought many battles until they met the robo-lobster.

Then they saw a brown haired boy using Thunder spells on the robo-lobster.

"That must be him!" Luna exclaimed.

"Biiiiii!" Celebi chimed.

"He looks cute." Taylor blushed.

"Taylor, no time for crushes, we gotta help him!" Luna told Taylor.

The girls & Celebi sprang into action & turned the robo-lobster into scrap metal.

"Thanks for saving me." The boy said.

"Biiiiiiiiii!" Celebi chimed happily.

"I'm glad to see you safe, Celebi." He told Celebi.

"Hi cutie." Taylor cooed. "What's your name?"

"Terry."

"Mine's Luna, & that girl diggin' you is Taylor."

"Hi, I better come with you guys."

"YAY!" Taylor screamed.

Luna, Terry, Celebi, Uxie & Cresselia: O____O;

They grabbed the orange star then they left for the next planet...

Milky Way Wishes Chapter 3: Cavius

Luna & the gang goes in a cave planet called Cavius.

"It's way too dark in here!" Taylor complained.

"I can light the way." Terry said.

He concentrated & his eyes turned bright yellow, then he made a bright ball in his hand.

"Good work, Terry." Luna said. "We can finally see around here."

The group went through the maze-like cave & got out.

"A switch?" Luna pondered. "Let's press it."

She pressed the button & the door opened.

Then they faced Wham Bam Rock.

"Woah! he's tough." said Taylor.

"We'll beat him!" Terry said & his eyes turned deep blue & casted many water spells.

"Watch out for his hands. He attacks us with them." Luna warned.

They emerged victorius & grabbed the yellow star & headed for the next planet...

4 - Milky Way Wishes Chapter 4: Hotbeat

Milky Way Wishes Chapter 4: Hotbeat

Luna & the gang arrives at Hotbeat.

"This looks like its OUCH! Hot!" Taylor said accidently stepping in the lava.

"Taylor! Are you gonna be okay?" Terry asked worried.

"Foot burned. It hurts!" she responded.

"There, there." Terry cooed Taylor. "Let me cool it off." His eyes turned sky blue & he cast an ice spell on Taylor's foot cooling it down then he melted the ice away.

"Thanks Terry." Taylor said & kissed him on the cheek. He blushed.

"Save the lovefest for later, we need to get the star here." Luna reminded them.

"Right." Terry & Taylor blushed.

"But how are we gonna move through here without getting burned?" Taylor asked.

"Leave that to me." Luna turned to Cresselia. "We better get across."

"Selia." Cresselia noded & took Luna, Taylor, Terry, Celebi & Uxie on her back & flew through the lava area.

Then Luna saw "A mine cart." she said.

"Let's get on." Taylor suggested.

They got on the mine cart & went through a door.

"Kyle the camelon." Luna introduced the lizard.

They beat him & grabbed the red star & headed for the next planet...

5 - Milky Way Wishes Chapter 5: Skyhigh

Milky Way Wishes Chapter 5: Skyhigh

"WOAH!" Taylor screamed when she, Luna, Terry & their pokemon free-falled into Skyhigh.

"Wow!" Luna cooed. "Were in the clouds; I always wondered what it would be like here."

"Well lets go girls." Terry called out.

They found themselves in a room with 3 doors.

"Uxie, which way do we go?" Taylor asked.

"The middle door, left one, right one, middle one & exit, then the right door twice."

They enter the room with... "Kracko." Luna said.

Terry's eyes turned yellow & he zapped Kracko with a thunderbolt but it didn't work.

"Kracko absorbs thunder." Luna said.

"Hows about fire?" Terry said & his eyes turned red & casted a fire spell on Kracko.

Kracko's lights were put out & the group grabbed the white star & headed for the next planet...

6 - Milky Way Wishes Chapter 6 Halfmoon

Milky Way Wishes Chapter 6: Halfmoon

Luna & the gang arrive at Halfmoon.

"This wind is rough." Taylor said.

"There's a warp star, lets use it." Luna said.

They used the warp star & zipped through the area.

"Pretty night..." Luna awed.

"Mine cart ride." Terry called out.

They went on many cart rides.
