# 1 - Flippy Flips

One dark night,  
no toon awake.  
Flippy strolled in the moonlight,  
shadows following in his wake.

Flippy was stressing over Toontown  
and what the Blood Suckers might be planing.  
Lost in his thoughts, he found,  
he was standing in front of an old fun house awening.

Confused and curious,Flippy stepped inside.  
Poor Flippy didn't know  
he was going to find  
a creature ,creeping below.

"SNAP!!!!" Flippy jumped,unable to see  
in this dark,dank surrounding.  
Faintly, he heard music,"Who's playing the CD?"  
Quickly he found himself turning.

Behind him was darkness  
but then many glowing white eyes glared  
Slowly steping back,Flippy missed toonfest.  
A hand reached toward him,as he feared.

The once brave major,full of fright,  
freaked out at how close it came.  
So he did the most logical thing and ran out of sight.  
Little did he know it was just a game.

"Silly Flippy." It laughed with a chuckle.  
Then the lights flickered on as it stood on a welcome mat.  
Why it was Good ol' Muckle!  
The great prankster,a crazy black cat.
