# 1 - Indiana Jones Parody!

--This story has been modified from the original that was posted on 2009 that my younger brother deleted. It's now a little more epic.--

*Sonic and friends are seen climbing a mountain similar to the one in Indiana Jones: Raiders of the Lost Ark. It's getting more difficult within each step they take...*

Knuckles: We should go back.

Amy: I agree--

Sonic: We can't go back now, guys. Indiana Jones *never* goes back!

Tails: Giant... mouth... statue.... thingy...

Sonic: I'm going in! \*runs quicky to the mouth-statue-thingy, cracks his whip, and jumps in at the right time\*

Tails: (That's Sonic. He's the bravest, fastest hedgehog I've ever known.)

Knuckles and Amy: \*grab each other's hands, run to the mouth-statue-thingy, and jump at the right time\*

Tails: (Those are Knuckles and Amy. Well.... they like worms. XD ) \*walks up to the mouth-statue-thingy\* (I'm Tails... and I'm not as brave.) \*gets wrapped by Sonic's whip and is pulled in at the right time\* Sonic!

Sonic: You got me, so you're alright!

\*the four friends run towards a monkey statue, which is really ice cream...\*

Sonic: Tails! Fly me up there!

Tails: Got it! \*grabs Sonic's hand and they're flying~\*

Sonic: \*tries to grab the statue, but it turns into ice cream\* Ack! \*falls\*

Knuckles: \*catches Sonic and puts him down\*

Tails: \*looks over to the right\* Oh... my GAWD!

\*boulder rolls out of nowhere\*

Amy: AVALANCHE!

Sonic: \*grabs everyone and RUNS\*

Tails: OMG STOP THIS THING

Amy: \*screaming\*

\*everyone jumps over a ledge, but Tails almost falls off\*

Tails: SONIC!

Sonic: \*stops and grabs Tails's hand\* Come on, Tails!

\*everyone runs off\*
