Chapter 1 - help me to fly

2

1 - help me to fly

broken wings,broken wings
I cannot fly with broken wings
mend my soul,mend my soul
save me from this deepening hole
cut my throat so I cant breath
tell me lies,my soul you tease
never ending,never ending
my broken wings are never mending
help me fly so I can die
fade to black
the knife in my back
no regret,no regret
guilt is not my deepest threat
fly away,fly away
to another meningless day.....

blah not my best stuff any whoo R&R please?
