# 1 - Items of Lightning

Chapter 1:

In the planes of China lied the Xiaolin Temple which held four monks:

Omi: age: 14, Element: water, Rank: Wudai Warrior

Kimiko Tohomiko: age: 16, Element: fire, Rank: Wudai Warrior

Clay Bailey: age: 16, Element: earth, Rank: Wudai Warrior

Raimundo Pedrosa: age: 16, Element: wind, Rank: Shoku Warrior

It was a normal day where the chores were finished and everyone was hanging out, Rai was playing soccer, Clay goes and whittles a wooden steer, and Kimiko shows Omi how to play the game Goo Zombies 3. Then Dojo starts twitching.

Dojo: Shen Gong Wu alert people and its a double whammy too.

Omi: What is the new Shen Gong Wu Dojo?

Dojo opens the scroll.

Dojo: Well the first one is the Spear of Tesla, a lightning Wu which controls the powers of thunder. And the second one is Raijin's Bangle this little baby amplifies the thunder powers of the lightning dragon.

Kimiko: But there isn't a Dragon of Lightning here.

Master Fung comes into scene.

Fung: As that may be true, the Dragon of Lightning's spirit will soon show himself to another person. But the only way to find him is with these two items for these are his Wudai weapon and armor.

Omi: No wonder, they look similar to our weapons.

Raimundo: Well, lets cut the chit-chat and go grab that wu.

Omi: Right, time to booger on out of here.

Clay: Bogie.

Omi: That too.

Soon, the bird outside the temple had flew to the lair of Chase Youngand whispered something in his ear. He chuckles when he heres the information.

Chase: Perfect

Wuya: Whats perfect?

Chase: The items locating the Xiaolin Dragon of Lightning.

Wuya: But I thought there was only four dragons.

Chase: As does most people, but, with him at my side, the prophicy of 1000 years of Darkness will spread to the whole world.

Chase & Wuya: AHHHHHAHAHAHAHAHA

In the USA, a kid is going from home to school saying goodbye to his mother.

Kid: Bye mom, see you tonight.

Mom: Okay, bye John, I'll be late so there will be leftovers in the fridge.

John: Alright, see ya.

It's me John Boomer, life has been okay for me, I'm 15 years old and working my @\$ off on school work in the city of San Jose. But everything has'nt been alright. Lately I've been having dreams of me shooting lightning from my hands at freaky beings. And for the past few days, anything metal I touch have been shocking me like crazy. Plus, when I draw, I've been drawing dragons in each a different color. My few drawings had four dragons one colored red, one white, green, and blue. But my last one was strange though, this one had five and the fifth one was colored violet. All I want to know is what does it mean.

Dojo was flying the monks to the US on Mount Rushmore and on top was the Spear of Tesla and Raijin's Bangle. And not too far was Jack Spicer.

Clay: Well look who it is, it's that no good snake Spicer.

Jack: And I've got back up. (Points to Chase & Wuya)

Omi: Chase Young, what do you want with with these items?

Chase: I was about to ask the same question.

Kimiko: Thats for us to know and for you to find out.

After a few minutes of fighting (too lazy to write fight scene) the Xiaolin warriors win and retrieve the items. Soon they find a free area out of sight of the Heylin warriors. Now they have the Wudai items they see where they point to. It starts to spin like a compass and points South of their direction.

## 2 - Awakening

### Chapter 2

It was nighttime at John Boomer's residence, he was all alone and it was eight o' clock. He heats up the leftovers his mother had left him. Going to the living room with his nuked food and turns on the T.V.

Meanwhile, Dojo was starting to get a little tired as he started to drift down to the ground. The monks had started to scream which instantly woke up Dojo.

Dojo: Sorry kids, just a bit tired. Looks like we have to land.

Rai: Let's stop over there, hopefully the neighborhood is nice.

The monks go up to the door and knocks on it. And would'nt you know it, it was John Boomer. When John opens the door he was in his knee shorts and white t-shirt. He sees how dirty the monks had looked.

John: Oh, hello. Please come in. Here, um....., here why don't you get yourselves cleaned up as I try to find something for you guys to wear.

Omi: Thank you honorable stranger.

John: Venada, mi amigo.

Omi we puzzled on what he said.

Raimundo: He says your welcome.

Omi: Oh, then why did'nt he say so.

John: Because I'm practicing for my Spanish language in high school. BTW, the names John Boomer, and yours.

Rai: My name is Raimundo Pedrosa.

Clay: Clay Bailey good sir.

Kimiko: The names Kimiko Tohomiko.

Omi: You can call me Omi.

John: You don't have a last name.

Rai: He was an orphan, so he doesn't have a last name

John: Oh, hehe, my bad. Well, don't just stand there, are any of you gonna get in the shower. But before you guys go, let the girl go first.

Kimiko: Thank you.

John: No prob milady.

After 30 minutes, every one was cleaned up as the boys was in John's sleep clothes while Kimimo was in John's sisters clothes.

John: Sorry, but thats all I have Kim. So any way, what brings you to my neck of the woods.

Rai:(whispers to the monks) Let me handle this,(to John) see, we've been wondering around as we been

trying to find a home to where we can live.

John: Ahhh, your lucky I'm one of the nice guys.

John hears a car stop, and opens the door and sees his sister Joan.

John: Hiya, sis

Joan: Hey, bro. (sees the monks) Who are they?

John: Some homeless guys, can't let them sleep out there. Gonna try to get this through with mom. Well, (yawns) lets hit the hay. Omi, Rai, and Clay sleeps in my room, Kim, you go with Joan. Joan, come with me for a sec.

Joan: 'Kay

As everyone is asleep, Joan and John go and are deep in a conversation.

John: So ya see what I mean.

Joan: Yeah, well I did find that suspicious. Well lets get some shut eye.

The next morning, the whole gang was in school.

Teacher: Well looks like we have some foreign exchange students. Please, introduce your selfs.

Kimiko: Kimiko Tohomiko

Clay: Clay Bailey

Rai: Raimundo Pedrosa

Omi: Omi um... Greenbird.

Teacher: Well, lets get into your seats.

After class was over, everyone was outside as John comments on Omi's name.

John: Omi Greenbird?

Omi: I had to come up with something.

John looks at the monks

Clay: Long story.

John sees two globes shooting at him as he sighs in the sky.

John: What in god's name?

Kimiko: LOOK OUT.

Kimiko pushes John out of the way as the globes exploded hitting the ground.

John: Okay, what the hell was that?

Rai: We havn't been totally honest with you.

John: What do you mean by that?

Then a figure comes up from behind him as he jumps away.

Chase: If it isn't the Dragon of Lightning.

John: What is he talking about?

Chase reveals the Spear of Tesla and the Raijin's Bangle.

Omi: Hey, how did you get a hold of those Wu?

Chase: I have my ways. Think fast.

He throws the items at John as they shoot right at him. John tries to run away from the Wu.

Rai: C'mon guys

All: WUDAI ORION FORMATION

Kimiko: So wheres Wuya

Wuya: I'm right here you pests.

As that happens the monks turn into their silhouette forms as Chase lets Wuya fight the warriors. John soon sees this and talks to himself.

John(in thought): Wait, those colors, red, white, blue and green. And when they were mentioned as warriors, that must mean...

He was still thinking as the Shen Gong Wu nearly missed him. Making him fall, he get up staring at the Shen Gong Wu angry.

John: Alright, you want me, come and get me.

The Wu starts to head back at him, but John doesn't move, instead, he catches the arm band on his arm and catches the spear on the other. And soon he starts to glow. At that time, time was slowed for him and sees another figure.

John: Who are you?

Figure: I am the spirit of the Xiaolin Dragon of Lightning.

John: The Dragon of Lightning? Okay, so why are you here and what are these weird items I'm holding right now?

Spirit: I am here to give you knowledge of all I know moves, skills, attacks, and information. And items you hold are called Shen Gong Wu, mystical items weilding unimagineable power. They can be used for good or pure evil. It is your choice on how you use it.

John: Alright, now how will you teach me on everything you know

Spirit: I will guide you for this battle, after this choose the path of the Heylin or Xiaolin warrior.

John: Okay, but one more question, what are the Heylin and Xiaolin warriors.

Spirit: Come here.

John follows the spirit to the Xiaolin warriors.

Spirit: These children here are the Xiaolin warriors, as you see they are in their Wudai silhouette form and each has their own element

John: Let me guess, water, wind, fire, and earth.

Spirit: Correct, now see this fellow here....

The spirit leads John to Chase

Spirit: ... is Chase Young, the ex- Xiaolin warrior.

John: What do you mean by ex?

Spirit: He was taken over by dark magic and led to the Heylin side by Hannibal Roy Bean.

John: Okay weird, now back to topic. So how will you guide me?

Spirit: Open your mind and visualize who you are fighting, I will take over and help you in any way.

John: Okay... (closes eyes).... OPEN THE MIND!!!!!!!!!!!!!!

Soon the spirit merges with John sending everything in real time. In the smoke was John but with electricity surrounding him. Once he forms a fist with his hand the electricity stops. With one hand was Raijin's Bangle, and the other hand the spear is behind his back. He opens his eyes and smirks.

John: So, who wants some
