SESSHOUMARU'S QUOTES

"If you have the time to snarl at me, you would do better to spend it chasing Naraku."

"When it comes to human. I, of course, bare no such weakness."

"We'll talk first, kill later."

"I need a boat."

"Why protect them? Why miss them? Why love them?"

"You forget your station, worthless halfbreed!"

"I inherited our father's great power, but unlike you, I didn't inherit his merciful heart for humans."

"So fragile... don't you agree little brother?"

"And not just humans... halfbreeds too."

"I, of course, know their such weakness."

"A human, how very interesting."

"I don't believe you've met my poison claws."

"How can you think, with your dirty blood, that you're my equal!"

"You don't have to tell me. It's not like I care. Just curious."

"Why are you smiling like that?"

"I will spare your life for now Inuyasha"

"I didn't mean to save you, wench."

"Do what you want, but Inuyasha's life will end by my hand."

"Inuyasha, your paitence with this creature is astonishing to me... You protect her, indulge her... Even

seem to love her."

- "A halfbreed should act like a halfbreed... and lick the ground!"

- "Now, was that aimed at me?"

- "You are truly stupid aren't you? You know you could just run away... for you, the image wouldn't be disgraceful, after all, your living soul itself is already the pinnacle of disgrace."

- "Die Inuyasha."

- "All that for a memory and a dead mortal girl? If that's what it took you to fight, I would of killed her sooner."

These aren't just Sesshoumaru but their kinda funny

Sesshoumaru: Little brothers are such pests.

Inuyasha: I'M NOT THAT EASY TO KILL!!!

Sesshoumaru: Yes, until you come leaping out.

Inuyasha: You're running away!

Sesshoumaru: *dodging all attacks* Yes, from sheer boredom!

Miroku: A friend of his...?

Kagome: Worse... his brother.
