1 - Chapter 1-Amy:New expedition!

Chapter 1-Amy: New Expedition!

I switched on the TV. "Darned Telethons!" I muttered through clenched teeth. "Where's some excitement when you need it? I mean, I'm *always* being captured when I don't wanna be. But now I'm bored, a big fat NOTHING! Oh, I wonder where Sonic is." I sighed. He was always away. DING-DONG! The doorbell went. Rouge was standing there. "Hi there Amy," she said. "Hope I'm not interrupting anything," she smiled apologetically.

"No, not at all, Rouge. Come on in. So what's up?" I replied, leading her into the sitting room. "Well my TV's gone BANG so Tails is trying to fix it. Anything good on?" she enquired, throwing herself in her fave chair.

"Nah, no decent programs. Unless you actually *like* Telethons, which I'm sure no-one does!" I said with a laugh. "Want a drink?"

"Coffee, please. Two sugars." I wandered into the kitchen of my apartment.

"Heard anything about Sonic?" I asked over the roaring of the kettle.

"No, but maybe Tails has. After all, they're best buddies," Rouge replied. I came back in with the coffee. "Mmm. But *you* know how cranky he gets if someone disturbs him while he's trying to work. Oh, forget it. He doesn't even *like* me, let alone care about me," I muttered, felling the tears coming. I turned away, not wanting to let Rouge see me cry. Too late. "Hey, you know he cares. He'll come around someday," she said,

"Yeah, but who knows how long "someday" is?"

2 - Chapter 2-Sonic: New love!

BANG! A missile flew at me. I sped away, darting around, making my path harder to follow. CRASH! The missile exploded and made a deep hole in the rocky ground. "Is that all ya got, Egghead?" I jeered as he flew away in his pod.

"I'll get you next time you little rat!" he cried as he slowly disappeared.

I crashed down onto Rouge's sofa. "How's it coming on?" I asked Tails.

"OK, but it's gonna take a while, Sonic," he replied, frowning. "You can go home if you want, I'll be fine."

I sighed. After today's fight with Eggman, I was bored. Nothing to do, nowhere to go. No one to see, either. There was Amy. That girl-forever chasing me, but she's seemed to cool off now. This should be a good thing; but I was missing the pink-haired hedgehog! I did like her, but boy, was it *annoying* to have her chasing me down CONSTANTLY! She was like a crazed stalker in a way. Stop it, I told myself; you're being mean to Amy. Oh, NO! I thought. I was developing feelings for Amy. However, I didn't feel weary, I felt really high and like-well, like I wanted to see her. Right then. So I jumped up and said to Tails "I've gotta go see Amy."

"Why?" he asked, confused. "You've spent half your life running away from her!"

I grinned. "I've just realized-I love her!" Oh, the look on Tails' face then!

So I sped off, my heart thumping not just with running so fast, but with love for a surprising girl-Amy Rose.

The alarm went off. I sighed and stretched. I thought working longer hours would make me fit, but I was getting weaker by the day. As I stumbled into the bathroom, the phone went off." Probably someone wanting me to buy double glazing" I grumbled, but still I went to answer it. "Hello?"

"Talk? TALK? You want to talk NOW? After all those years of me chasing you down to be ignored?" I was furious. Raging. I put the phone down. But I did consider going...</p></div>
