## 1 - The start of Sakura's worries

Sakura looked up. It was a beautiful day, not a cloud in the sky. Pretty cool, huh Sasuke? Sasuke stared at her as if she had said something in Alien-speak. What is? He asked lazily. The sky, silly! Rarely get days like this! Sakura replied brightly. She turned to look at Naruto. Right, Naruto? Wake up, I'm going. Naruto? NARUTO! He woke, startled. What's the big idea? I was having a nice dream there! Sakura smiled. About me? she asked cheekily. Yes, Naruto said before he could stop himself. Sakura blushed a deep red. Sasuke rolled his eyes. But inside he was fuming. He liked Sakura, she liked him, and he didn't need pesky Naruto ruining things.

Naruto saw Sasuke looking at Sakura. He glared at him. Naruto wanted Sakura to be his girlfriend, but how could he when Sasuke was constantly ruining things for him?

Sakura noticed the two boys glaring at each other. She sighed. A full-on yelling match was to follow for sure. She was right. But she wasn't prepared for what they were fighting about.

Hey, what's the big idea? asked Naruto angrily. Nothing, so BACK OFF OF SAKURA! Sasuke retorted. Sakura blushed once again. Why? It's ME she likes. You're just a wannabe! jeered Naruto. Me? A wannabe? Don't make me laugh, kid. Give it up, we all know that Sakura cares about me the most! Sasuke snarled.

## 2 - Fighting, fighting...

Sakura stretched. It had been a tough night, what with worrying about Naruto and Sasuke. She heard them fighting now. Hey, I m making breakfast! YOU don t even know how to cook! yelled Sasuke. Well I know what good food is and your food is poisonous! shouted Naruto. Sakura grumbled. Again, she would have to sort it out. Guys, STOP IT ALREADY! Why are you fighting? Sasuke, stop criticizing Naruto s cooking. Naruto, stop saying Sasuke s food is poisonous! Sheesh, you two are impossible! Sakura sighed and rubbed her forehead.

(Later) Sakura couldn t deny it. She wanted to know which of the boys liked her the most! So she put together a few tests. First up, Sasuke. She felt bad, but a girl can t be expected to be good all the time...
