This is dedicated to all those people who are vegetables now, or have family or friends and just won't let them move on.

Chapter 1 - Let me go

2

1 - Let me go

Let me go...

I need some rest...

Heaven is waiting for me...

I won't leave...

Until you are happy...

That I will be free of pain...

I would get on my knees to beg you...

But I have none...

I would hug you until you were glad...

But arms, I have none...

Look at me...

My body is only a vegetable...

No mind...

No Knees...

No arms...

Just a soul...

That wants to be free...

Let me go...

Heaven is waiting...

For me...
