Crush on Temari||Straight

..:INFO:.

Tai is in short words a little spoiled baby brat, All he does it complain, Argue, and back talk. He is an only child in his House hold and lives with his mother[Father is gone, **Rumor is his father was Zabuza**] and is obsessed with teasing and bothering certain people, he annoys girls and is rude to some guys sept Naruto,Shikamaru,and Kiba. He is desent to Choji and Jami[My Oc] but pesters Choji when he eats so much and is always picking on Jami, even though hes on his team. Ever since the chini exams Tai has

had a MAJOR crush on Temari and wont let up on it. He is also VERY strong and when he does his work he is rather smart, those are the only reasons hes on a team at all. His special technique is Speed and some Ice Jutsu he was taught by his grandfather.

Also, I must add Tai is a HUGE Mama's boy! ^_^
He cant stand to be on a long mission for days.
When he is he get all upset and homesick and bawls his eyes out. So eaiter Midori[Sensei] or Jami comforts him in this state. [Mostly Jami.]

Loves Kaori||Straight

..:INFO:.

When Jami was born he was considered a burden

and caused his father to leave the family,

Alls was left was Himself, his Mother, and older brother

Kaito. As he got older him and his brother had a close

relationship, they would do everything together and since

Kaito was 6 years older then him he had older friends to.

Kaito's bestfriend was Itachi Uchiha and they were marked

as BestFriendsForever, they even cut eachothers hand and

put there hands together considering themselves "Blood Brothers".

On Jami's 9th birthday Kaito was called outside his house one night

by Itachi and a few other people he never met, Kauto was asked

the queston if he wanted to join the **Akatsuki**,and told

Kaito what he has done to his family. Kaito was shocked and scared

but refused to join them, Itachi warned him that if he did not join them they would KILL him, he then refused again and tried to flee back to the house but was surrounded by the group while Itachi slashed his back with a Katana, that's when young Jami appeared in the doorway outside the house to see what was going on, then to his horror he saw his big brother being slashed with the bloody blade. He stood in sheer horror and listened to his brother's wailing and coughing, before Kaito finally collapsed from the blows he got out; "It's okay Jami, I'm okay, everything will be fine..." before Itachi plunged the blade into his back. Itachi then gave one glance at young Jami and fled off into the dark forest. After that experience Jami was NEVER the same. He was afraid of people and had recurring nightmares every night of the same thing. As he got older he was sent to the Academy for Ninja and was somewhat happy there, there he met his future teammates Tai and Selina, Tai was a jerk to him at first but then SLOWLY grew to be fine with him but did not like him, Selina was strange to him at first on account she was half demon with cat ears but grew to know she was very kind and sweet but had a quick temper. He then also met the love of his life, Kaori who always sat one seat in front of him, he loved her the first time he saw her when she asked if she could borrow a sheet of paper. Jami then was assigned with his team Tai, himself and Selina to their Sensei Midori Oratomei and are about to go on one hell of a journey together, as a team.
