1 - Heated Battle

“I am strong as steel and hard as oak!”

“Yes, but you have little experience in battle.”

“Who are you to judge me by my looks”

“I have seen many of your type, and you look too hurt for the time you have spent out there”

“What are you saying?”

“If they push you any harder, you may snap out there.”

“Then what will happen to me?”

“You will never see the inside of an arena again.”

“You mean to say I will just get ‘thrown away’ like I am garbage?”

“Yes”

“Life is too short to be delicate, I shall have to test my limits.”

“Let me help you with that!”

He raises high and comes slamming down repeatedly upon him.

The blacksmith took the sword off the forge and handed it to Bilbo.
