Inspired by one of her wonderful pieces of art^_^

Note To Horus Goddess: hi! I was looking at your art on Fan Art Central.com and I came across "Something I Wish We Had" and it really inspired me to write something to go with it, so I suppose I wrote this for you. I hope that your relationship with your new boyfriend goes wonderful! ^_^ I don't know if this really makes any sense, but, I felt like writing it. So, here you go. ^_^

Love,

Something I Wish We Had

We never loved each other,
But we pretended anyway.
We were probably ment for another.
Life was just swept away.
There was something I wish we had,
Who would have known things would have turned out this bad?

Maybe someday,
We can find our love.
Make all the darkness go away,
And reach for the stars above.
There was something I wish we had,
Who would have known things would have turned out this bad?

It's worse pretending to love you.
Everyone can see how bad this is.
This relationship will never do,
We never had something to be missed.
There was something I wish we had,
Who would have known things would have turned out this bad?

All I really want to know is...

Do you wish for something we never had?

That is something I wish we had.

This is for HorusGoddess. She has the best art I've ever seen, and I love all of here work. I hope she has good luck in everything that she does. ^_^
