1 - i am somehting

I Am Something

I am something because I move

Breath

And

Talk

I am something because I have dreams

A heart

And

Happiness

I am something because I'm not lonely

Cold

And

Afraid

I am something because I can love

Forgive

And

Hate

I am something because I have friends

And

Family

I am something because I am brave

Courageous

And

Kind

I am something because I am not afraid of death

And

The pain

To come

I am something because I am also ready for pain

Hate

And

Rejection

I am something because I can see

The pain the

World

Has

I am something because I can laugh

Cry

And

Smile

I am something because I have feelings

Funniness

And a

Imagination

I am something that will

Help make the world of

Tomorrow

Possible
