Chapter 1 - HP teasing

2

1 - HP teasing

Me

I look in the mirror

I see the day ahead me

People taunting, and teasing

Saying what I'll be

I am obsessed with something

And people think it's weird

But someday when I am still success

Then I will be heard

I still have friends

But they like to joke

Some times it's about

Yes

That is what I am talking about

I am obsessed with Harry Potter

And I'm proud of it

It gave me an imagination

It actually taught me how to read

Challenging books

It is my favorite

I really love it

Nothing you can say

Can make me not

Love it

So I am me

And deal with it.
