He saw it, the object of his desires. He had been dreaming about it for the last few hours. He could smell the sweet scent drifting through the whole camp site. But he had to be patient, other wise the guard of the precious object would find him and ruin

But he wasn't. He couldn't hold back<i> </i>any longer. He had to have it NOW! He got ready; he was just about to jump on his pray when the guardian blocked his path. He looked the guardian in the eyes trying to tell them how much he needed this.

He couldn't take it anymore! He had to have it now; he couldn't survive much longer without it. He would try again, and this time he would not fail. He hid behind a tree near the camp site and watched the guardian as they started to cook something over a fire in the middle of the camp. After a minute the guardian went to the stream near the camp to catch fish, or more fish since that was the smell that was coming from the fire. And the smell reminded him of how much he needed what he was after. He took another look at the guardian and found their back too him. This was his chance to strike! He moved out from behind the tree without making a sound. He was so close, so close he could feel the wonderful texture rolling around his mouth at that very moment. He was so close, but alas, it wasn't meant to be. The guardian caught him again.

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

"I told you no, now get before I lose my temper." He left.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

He went back into the forest that never told him no when he needed something. He learned to love the forest, and to become one with it when the guardian caught him and sent him away still wanting. The more he thought about it the more pissed off he became. He was more powerful then the guardian! The guardian was the one that should be running from HIM, not the other way around. But he was going to try again; nothing was going to stop him from getting what he wanted.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<i>Another twenty minutes later</i>

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

This was the last time. If he did not succeed this time he would give up and wait.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

He waited until the guardian was distracted again cleaning the pans from cooking in the stream. This was it, he would get what he desired if it killed him, and it very well might. He made his move, he came out from behind the trees once again and finally got his hands one the object that he wanted with his whole being.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“Sesshomaru! Stop right there!” And once again he was caught. He turned and looked at his mate.

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“But Rin-“

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“No buts buddy! If told you once I told you a thousand times no dog biscuits until AFTER dinner and even then only one. Kagome-san goes through a lot of trouble to get those for you and I don't think you need to eat them all in one sitting.” She said snatching the box from his hands. He knew he was defeated, but he couldn't help but to whine and see if it would hit a soft spot on her. “No”

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

He guessed not, so he occupied himself by pouting in a corner of the camp site.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“I don't get why you like these things so much.” Rin said as she finished preparing dinner for the both of them. “Kagome-san doesn't have this much trouble with Inuyasha-san” She sat down next to him and handed him a plait with three fish on it and a few vegetables.

“Well strong taste or not, I'm not going to have you eat the whole box in one sitting and then run off to Kagome-san and ask her to get you more, she has enough to carry with the baby and all the baby stuff, and not to mention she's pregnant again too!”

“But I’m not traveling between two worlds. Here’s your biscuit, and don’t even THINK about asking for more, cause ain’t happening.” She continued to eat her dinner as he happily munched on his treat. He knew she had him for now, but....
