**Chapter 1 - You're My Little Puppet**

# 1 - You're My Little Puppet

Eh...it was kinda' a poem I was writing and then it started to remind me of animal cruelty...but then I added more and now it doesn't really. Eh, whatever...

~~~~~

I am the puppet master  
Pulling your strings  
Making you move  
Watching you scream

Scream my little puppet  
Let it all out  
It's funny  
How you don't know what you're screaming about

The pain?  
The pleasure?  
My control?  
The pressure?

How everyone watches you  
And you're so scared  
But I throw you into the spotlight  
Not even prepared?

I took you from happiness  
And now you're alone  
Feelings forgotten  
As is your home

You know nothing but me  
And this world I have built  
And isn't funny how  
I don't feel the slightest amount of guilt?

You sit and you cry  
Completely alone  
Thinking about something  
You don't even know

Laugh my little puppet  
Go insane

Because I don't want anything  
That I can't tame

Lose grip on reality  
Until you're an empty shell  
No one able  
To pull you out of this Hell

Don't worry my little puppet...I'm always watching you....
