This story is about when after Kagome went through the well a few times.

1 - The trouble at the Shrine

Prologue.

"What is this stuff?" asked Kagome. Inuyasha put his hand on his sword. "I smell demons, many demons." Said Inuyasha. Kagome looked at the stuff on the floor; there was no floor! The ground had opened up and swallowed Kagome in it. Inuyasha did not come in time. Kagome was gone. "What do we do?" asked Sango. "I don't really know now." Answered Maruko. Inuyasha looked at the place Kagome had been standing. "Let's go." Commanded Inuyasha.

Chapter 1. The Trouble at the Shrine.

"I wonder if Inuyasha is going to come soon. I have been here for 5 days. He probably doesn't mind." Sighed Kagome. Kagome had recently fallen in the well by the shrine. There she found a new place that is old and ancient. She had met this half-demon called Inuyasha. He was not nice. She knew they could get to know each other though. Kagome went into the kitchen and looked at the table. There was a person there. He had silver hair, hazel eyes, red robe, cat ears, and a bad attitude. It was Inuyasha. Kagome stared at her feet. The last time she came back. She through a rock at Inuyasha and gave him a bump. Then she ran to the well. She smiled and Inuyasha stared.

"Kagome, I came back so you could help us… again. Remember, I need those jewel shards! Once I get them all, I will have no problem. But for now, well, let's go!" Kagome knew there had to be some good in him. She could not control her temper. "SIT!" The necklace on Inuyasha's neck turned purple and he went face flat on the floor. Kagome ran to her room and locked the door. "I don't want to go back. I want to stay here for at least a week!" Thought Kagome. She heard Inuyasha coming towards her door. "Kagome! Open your door!" Kagome went out the window and got her bike. "I think I will go for a ride." She peddled away. She could hear a door open, Inuyasha came towards her. He picked up her bike, while she was still on it. In addition, carried it to the well. He opened the door and jumped in the well. During that time, Kagome had been yelling at Inuyasha to put her down. However, he does not listen to people.

Kagome looked back up and climbed up. She noticed she was not in Tokyo anymore. She hated going to this place. She went back down and grabbed her bike. She walked around and went to the tree Inuyasha had been on when she first met him. "He will not come for me if I stay be this tree." Thought Kagome. She heard Inuyasha calling her name. "Kagome, you better not be at that tree!" he yelled.

Kagome smiled, He is too funny sometimes. She sat down and noticed a book in her bag. She started to read it and fell asleep. (It was a very boring book.) She woke up and found that she was in the village. Inuyasha was there waiting for her. Kaede came in and sat down.

"Kagome, you have to learn to get along with Inuyasha." Commanded Kaede. Kagome noticed Inuyasha grumbling. "I do not want to work with a dog faced human!" Kagome answered. She got up and went towards the well. She noticed a humongous rock over the well. "I guess I have no choice." Sighed Kagome. She went over back to Inuyasha and yelled, "Well, what are you sitting for!" Inuyasha got up and said, "Finally, Your to stubborn." Kagome go her bag and filled it with food and clothes. She went over to Inuyasha and started to walk away. Seeing if he would notice she was gone. She noticed he was jumping from tree to tree. "He noticed." Thought Kagome. She stopped at a campfire that was still warm. She saw Sango and Maruko were there. "Inuyasha, I did not think you could bring back Kagome." Chuckled Maruko. Kagome stared at him coldly.

"It was hard, almost too hard. I almost gave up; but she made a big mistake on taking her bike." Smiled Inuyasha. Kagome thought Inuyasha was so cute when he smiled. She walked away thinking. She felt a Jewel Shard was close. Too, close. She started to go back when a big bird came towards her. The bird grabbed her by the arms and left. Inuyasha, Sango, Maruko, and Shippo had not heard the bird and still talked. Sango noticed she couldn't see Kagome anywhere. "Hey, where is Kagome?"

2 - Where is Kagome?

Chapter 2. Where is Kagome?

Inuyasha now noticed he did not see her either. "Kagome, where are you. I do not like tricks!" Yelled Inuyasha.

Somewhere else.

"Where am I? Thought Kagome. She looked around and noticed she was in a cave. There were lots more birds of the one that brought Kagome. She got up and noticed she was under guard. She guessed she was dinner. "Inuyasha probably will not come to save me. He hates me right now." Thought Kagome.

"Kagome!" he was jumping from tree to tree while Maruko and Sango were on Keelala. He could smell her scent closer and closer. He noticed the cave. "Well, this is going to be easy." Thought Inuyasha. He waited for Maruko and Sango to come. "Kagome is in there. Not that I care or anything though. Said Inuyasha. Kagome heard his voice and tried to walk away. One of the birds picked her up and shook her. They did not like to eat live food so they were going to shake her until she died. She saw Inuyasha looking at her. Inuyasha came over and jumped. "This is the end for you bird!" yelled Inuyasha.

He brought out the Tetsusaiga and cut the bird's wing. Kagome jumped and fell on the floor. "What is this?" asked Kagome. "I don't know." Replied Inuyasha. Kagome got up and looked at the ground; the ground was gone. The ground swallowed up Kagome and went back to normal. Inuyasha stared at the place where she had been.

"What do we do now?" asked Sango. "I don't know." Answered Inuyasha.

Somewhere else.

"Not again." Thought Kagome. She knew where she was this time. Kouga's place. She had met him in one of the battles. He was kind of a wolf, but he had black hair in a pig tail and a headband on. He had captured her before so she could help get him jewel shards. He really was not that bad though. She went over to the last place she was to sit down. She sat down and noticed Kouga coming towards her.

"Kagome, we need help… again." Just like Inuyasha. "Let me guess, you think you know where some more jewel shards are." Guessed Kagome. "Yes, we are about to head out. I hope you can come help us." Smiled Kouga. Kagome got up and held onto him. He told the other soldiers to get ready. The soldiers got up and wolves and headed out.

"Why does Kagome always waist our time! Maybe we don't need her help!" yelled Inuyasha. "Inuyasha,

calm down. We need Kagome just like you do." Said Maruko. Inuyasha knew what he meant. He was a half-demon that had fallen in love with a priestess named Kikyou. Kagome was the recreation of Kikyou. Kikyou had been killed by Inuyasha's enemy 50 years ago. Inuyasha got up and started to walk away. "Well, are you guys coming?" Maruko and Sango smiled.

They both got up and followed Inuyasha. Inuyasha stopped walking and started sniffing the ground. I know this smell, it is Kagome's, but there is another smell mixed with it! Kouga!" He jumped up and ran fast. "Why does he need her this time? Thought Inuyasha. He spotted Kagome and Kouga and the other wolves and wolf like humans. Inuyasha jumped up, snatched Kagome from Kouga's hands, and dropped down. "Inuyasha, what are you doing? She's only helping us find more jewel shards to become strong!"

"That's our job!" answered Inuyasha and jumped away. "Inuyasha put me down. I know you will not help me with them. But I will!" commanded Inuyasha. "If that's what you want." He answered. He dropped by the well, removed the rock, and through Kagome down the well. "I hate it when he does that! Yelled Kagome. She got out of the well, went into her bedroom, and went to sleep.

"Well, I hope he has a good time trying to find the jewel shards." Chuckled Kagome.

"Where is Kagome? Asked Maruko. "Oh, she wanted to go home." Answered Inuyasha. "Oh, I see." Maruko drank his tea. He thought then yelled, "She what!" Inuyasha smiled and jumped in his tree. Maruko looked at Sango and said, "He's hopeless."

3 - Come Back Kagome!

Chapter 3. Kagome Come Back!

"We don't need that stupid girl with us." Thought Inuyasha. However, we do need those jewel shards. I guess I should go get her." Inuyasha climbed down the tree and went towards the camp where Sango and Miroku were. "I'm going to go get Kagome Okay!" yelled Inuyasha. He went towards the well and jumped in. He went inside the house quietly and went to Kagome's room. He opened the door and sat on the floor. "Might as well sleep till morning."

"Um, Inuyasha. What are you doing here?" asked Kagome. Inuyasha got up off the floor and went over to her. "I came to bring you back. Miroku and Sango told me to." " Oh, that's why?" Kagome said sadly. "Well, let me get dressed and let me pack to go. "Okay." Answered Inuyasha.

Kagome went with Inuyasha, went towards the well, and jumped in. When Kagome got up the well, Sango, Miroku, and Kiara were there.

"We didn't think you would come." Miroku smiled. Kagome felt like she wanted to go back and cry. Inuyasha and everyone else seemed like they were teasing her always.

"I just came back to say goodbye for a very long time." Kagome told them and she jumped back in the well. "Um, Inuyasha, what did you say? She looked angry." Asked Miroku.

"I have no idea. She looked fine when I got there. Then when I told her you, two told me to go… Then she looked like she had a sad face." Answered Inuyasha. "You are such a baka sometimes!" yelled Sango. "She was sad because she thought you were actually coming from your choice to pick her up. You told her we told you to go pick her up!" yelled Sango. "I didn't think she would care though." Sighed Inuyasha. Inuyasha went towards the well and jumped in. "Well, I wonder if she'll come back again." Wondered Inuyasha. I don't think she'll if I don't get her." Inuyasha jumped out of the well and went inside Kagome's house. "Kagome!" yelled Inuyasha. Kagome came over to him and sighed. "They didn't' tell you this time right?" asked Kagome. "No, I came because we need you, Kagome." Inuyasha told Kagome. "Let's go then, Inuyasha." Answered Kagome. "Okay." Inuyasha and Kagome ran to the well. When they got back up, Sango and Miroku were fighting Naraku! "Naraku!" yelled Inuyasha. "Inuyasha, today is the day you die." Smiled Naraku. "Keh, you got that backwards." glared Inuyasha. Inuyasha took out tetsuaiga and yelled, "Wind scar!" Naraku thought for a moment. "Kagura, I don't feel like fighting today. Finish him off." Ordered Naraku. "ok." Kagura used her fan and yelled… (I do not know any of her sayings.) "Kagura, in the way as usual. Naraku! We will fight again someday! Kagura flew away wondering. "Why did I have to live like this?"

4 - The End

Chapter 4. The End.

"Well, this was one boring fight." Sighed Inuyasha. "Well, that's okay. Lets go Inuyasha." Kagome told him. Kagome got on Inuyasha's back, Miroku, and Sango on Kiara. Let's go everyone!
