**Chapter 1 - Your life**

**2**

# 1 - Your life

All the blood you owe  
All the hell you bestowe  
You'd always jump, lie to lie  
Blood flying through the sky

The shoot that you've done  
With that frack of a gun...  
How could you do what you did?  
He said with distain, your hopless, kid

All the blood you owe  
All the hell you bestowe  
You'd always jump, lie to lie  
Blood flying through the sky

You were never loved  
Only pushed and shoved  
Nobdy had anything nice to say  
You weren't cared about, anyway

As I watch you go  
How could I begin to cry?  
I tell myself sternly, no!  
Your blood flew through the sky

All the blood you owe  
All the hell you bestowe  
You'd always jump, lie to lie  
Blood flying through the sky

As I wipe away the tears  
I lose all the pain and fears  
It hurt bad to watch you go  
I hope you follow, the dark glow.
