**Chapter 0 - Doubt**

**2**

## 0 - Doubt

She is lost  
in a sea of uncertainty  
how did it become this way?  
She can't remember

Looking for a way out  
no doors to open  
no windows to climb through  
her heart empty and yet so full

Can there be no other option  
then to leave this life for another  
no...it would be the cowards way out  
and she's not brave enough to do it

Then a small light  
way in the distance  
a way out?  
a chance?

He sweeps her away  
gives her wings once more  
but she is frightened  
she has been betrayed before

Will this time be different?  
will this love finally set her free?  
only time will tell  
and she is patient
