NOTE: The initials stand for R(robin duh) and S(Slade double duh)

S: Drowning deep in my sea of loathing
Broken your servant I kneel
R: (Will you give in to me?)
S: It seems what's left of my human side

Is slowly changing in me
R: (Will you give in to me?)

S: Looking at my own reflection
When suddenly it changes
Violently it changes (oh no)
There is no turning back now
You've woken up the demon in me

Activates the detonator

S: Get up, come on get down with the sickness [x3]
Open up your hate, and let it flow into me
Get up, come on get down with the sickness
You mother get up come on get down with the sickness
You fracker get up come on get down with the sickness
Madness is the gift, that has been given to me

S: I can see inside you, the sickness is rising
Don't try to deny what you feel
R: (Will you give in to me?)
It seems that all that was good has died
And is decaying in me

S: It seems you're having some trouble
In dealing with these changes
Living with these changes (oh no)
The world is a scary place
Now that you've woken up the demon in me

S: Get up, come on get down with the sickness [x3]
Open up your hate, and let it flow into me
Get up, come on get down with the sickness
You mother get up come on get down with the sickness
You fracker get up come on get down with the sickness
Madness is the gift, that has been given to me

Robin starts fighting Slade

R: And when I dream
No mommy, don't do it again
Don't do it again
I'll be a good boy
I'll be a good boy, I promise
No mommy don't hit me
Why did you have to hit me like that, mommy?
Dont do it, you're hurting me
Why did you have to be such a dog
Why don't you,
Why don't you just frack off and die
Why can't you just frack off and die
Why can't you just leave here and die
Never stick your hand in my face again dog
frack YOU
I don't need this shoot
You stupid sadistic abusive fracking whore
How would you like to see how it feels mommy
Here it comes, get ready to die

Then the normal ending

My first attempt at anything, comment
