1 - Return Home (Theme of DRAGGA)

[Verse 1]

The Master Emerald calls out to me,
It is the answer to all my mysteries.
It is the key that can send me home,
Back to my own!

[Pre-Chorus]

I don't need anyone but my family back home,
I will do this and all by my own!
I won't ask for help from anyone but me,
This is my mission, my Destiny!

[Chorus]

My life is ruined until I can return home.
My family must fight evil while all on their own.
You can't deny me access to the Master Emerald's glow.
Better stand out of my way cause this dragon's gonna blow!
Forces of darkness, hunt my family.
The Master Emerald is my only key.
Guardian stand down since I mean you no harm.
Grant me access now or face this dragon's storm!

[Verse 2]

I don't care what the others say,
Cause I do everything my own way.
My family's lives on counting on my return,
Return home!

[Pre-Chorus]

[Chorus]

Face this dragon's storm!

2 - Demon In The Light (Theme of RYO-WO)

[Verse 1]

To catch this demon, boy ya better get the lead out now!
I ain't got time to wait around just to be found.
Gotta go, gotta rush, gotta run like wind,
Gotta find the power that's within!

[Chorus 1}

Blood in the winds, a demon from within,
Forces his way through the war and the peace!
Blade in the sheath, power to be breached,
What he holds is about to be set free!

[Verse 2]

Legs that move like lightening deal a mighty kick.
A blade that cuts through anything, skinny or thick.
Wind in my hair, wind in my face, wind in my life,
Now its time to fight for what's right!

[Chorus 1]

[Chorus 2]

Demon in the light, sword through fight,
Ready to protect what everyone calls right!
Demon of the moon, power released soon,
Now it's time to change that Eggman's tone!

Demon in the light!

3 - Fly Away (Theme of ACCIRA)

[Verse 1]

I sit in the moon light,
Waiting for my true love,
Then I receive a call,
A sign from above.

[Pre-Chorus]

What can it say?
What can I do?
Tell me the answers,
Tell me the truth.

[Chorus]

It says Fly Away!
Seek the moon and stars above!
Fly Away!
Seek the one you call your love.
Fly Away!
Let the winds guide you true.
Fly Away!
He'll be waiting there for you.

[Verse 2]

This sign can't be real,
There's no way it can be true,
But it says the wind's the guide,
And he'll be waiting for me, too!

[Pre-Chorus]

[Chorus]

[Verse 3]

This sign is real,
Is true to my heart.
I must go now,
Let the journey start!

[Chorus}

Fly Away...

4 - Fire Inside (Theme of DINOS)

[Verse 1]

I don't need a speedy ability,
I've got the strength inside to succeed.
A dragon with a mission, that's who I am!
I got the fire inside to be the best I can.

[Pre-Chorus]

A fire burns in my heart,
It burns my mind,
It burns inside until I can find
The fire inside of me!

[Chorus]

Let it all burn out let the party begin,
As I said before I've got strength within.
Time to burn the walls of Tyranny
It's time to find the fire inside me.

[Verse 2]

Always ready to lend a hand,
Its evil and corruption that I can't stand.
The fire inside says its all gotta go,
But who's the bad guys, how do I know?

[Pre-Chorus]

[Chorus 2x]

[Verse 3]

I've said all I could and done what I can,
It ain't my fault that the Eggman's around.
I did what I could and it was just enough,
To stomp his flame like a powder puff.

[Pre-Chorus]

[Chorus]

A fire inside...a fire inside...a fire inside me!

5 - Roar (Theme of MICHELLE)

Animal Roars

[Verse 1]

Although you know the lion's asleep,
There's one predator you just can't beat.
She'll track you down no matter how fast you go,
Remember you don't have much longer!

[Pre-Chorus]

In the jungle she waits,
In the bushes she lurks,
Who knows how she'll strike first.

[Chorus]

Hear her ROAR!
At the mountain tops, at the tall snow-covered peaks.
Hear her ROAR!
To air to scare the little birds out of their beaks.
A fox with a mean streak, watch where you step,
She'll wait till the attack will be its best!

[Verse 2]

Unafraid of any animal or beast,
She make the world bow at her feet.
Doesn't matter that you're the definition of strong,
Remember you don't have much longer!

[Pre-Chorus]

[Chorus]

Roar...roar...roar...

[Verse 3]

Music tames the savage fiend,
But your end's still a guarantee.
Better keep going strong and long,
Remember you don't have much longer!

...you don't have much longer...

Animal Roars
