1 - the joke (duh).

Once a merchant traded two donkeys for a racing horse. To make it go faster he had to say amen. Amen said the man and the horse began to trot. Amen said the man again as the horse went into a slow run. The man wanted to really see what the horse could do and he said Amen a third time. The horse went REALLY fast. As the man saw a cliff ahead of him he kept thinking of words that had to do with the bible. Finally he said dear Lord and the horse stopped right on the edge of the cliff. He sighed and said Amen.
