In Ame town it always rains as such there always was an Abundance of water Pokémon. Jae never found water Pokémon His style " He'd Rather stick with electric and normal type Pokémon. When Jae hit the ripe ol Age of 14 he left Ame town Jae almost didn t want to leave but knew he had to.After leaving home Jae got aboard a ship heading to sinnoh where he quickly Got on to catch many Pokémon. Jae doesn t participate in gyms or contests Rather training his Pokémon against other trainers he thinks he s not ready Yet for gyms. Jae always tells himself Always know what your limitations Are, if you don't then you're only beating on yourself." Jae always takes it as His fault when Losing a battle. Jae is a very good tracker, learning over 250 Pokémon tracks he can track almost any Pokémon.
